[Science Fiction and Futurism](#) Ace G. Pilkington, 2017-03-05 Science and science fiction have become inseparable with common stories interconnected thought experiments and shared language. This reference book lays out that relationship and its all but magical terms and ideas. Those who think seriously about the future are changing the world, reshaping how we speak and how we think. This book fully covers the terms that collected, clarified, and crystallized the futurists' ideas, sometimes showing them off, sometimes slowing them down, and sometimes propelling them to fame and making them the common currency of our culture. The many entries in this encyclopedic work offer a guided tour of the vast territories occupied by science fiction and futurism. In his Foreword, David Brin says: Provocative and enticing. Filled with huh moments and leads to great stories. That describes this volume.
