Routledge Handbook of Language Program Development and Administration Alan V. Brown, Cori Crane, Beatrice C. Dupuy, Estela Ene, 2025-06-30 Second language program development and administration is a long standing area within the larger field of applied linguistics In many ways it is the quintessential applied linguistics field as it crosses disciplinary boundaries while balancing the rigors of scholarly inquiry with the demands of practical application without losing sight of concrete learner outcomes The Routledge Handbook of Language Program Development and Administration provides a scholarly rigorous yet practically relevant treatment of issues implicated in program development and administration with 52 chapters written by leading scholars in the field Authors not only address the theoretical underpinnings of their respective topics but also provide actionable evidence based recommendations concerning eminently practical matters In this way the volume provides both novice and experienced language program administrators with important guidance on how to think about the work that they do and how best to go about it while also validating language program administration as a scholarly area of inquiry The Routledge Handbook of Language Program Development and Administration is essential reading for practicing second language program administrators at the post secondary level in service and pre service second language instructors graduate students in applied linguistics and even upper level undergraduate education students considering second language teaching as a future career Chapters 9 and 11 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license *Handbook of Research in Second Language Teaching and Learning* Eli Hinkel, 2011-01-25 This landmark volume provides a broad based comprehensive state of the art overview of current knowledge and research into

second language teaching and learning All authors are leading authorities in their areas of expertise The chapters all completely new for Volume 2 are organized in eight thematic sections Social Contexts in Research on Second Language Teaching and Learning Second Language Research Methods Second Language Research and Applied Linguistics Research in Second Language Processes and Development Methods and Instruction in Second Language Teaching Second Language Assessment Ideology Identity Culture and Critical Pedagogy in Second Language Teaching and Learning Language Planning and Policy Changes in Volume 2 captures new and ongoing developments research and trends in the field surveys prominent areas of research that were not covered in Volume 1 includes new authors from Asia Australia Europe and North America to broaden the Handbook s international scope Volume 2 is an essential resource for researchers faculty teachers and students in MA TESL and applied linguistics programs as well as curriculum and material developers
