Guided Meditation Six Essential Practices To Cultivate Love Awareness And Wisdom:

25 Lessons in Mindfulness Rezvan Ameli,2013-08-19 The practice of mindfulness has received increasing recognition in recent years as a simple important and effective means for maintaining physical and emotional health and well being This book presents a practical step by step approach for establishing your own mindfulness practice Brief introductory chapters explain the scientifically proven effects on health as well as the philosophy behind this ancient practice The remainder of the book consists of 25 experiential lessons that guide you through various meditative practices You will learn to be mindful of your breath sounds sights tastes movements physical sensations thoughts and feelings as you maintain a compassionate attitude toward yourself and others

The Guide to Compassionate Assertiveness Sherrie Vavrichek,2012-08-01 Speaking up for yourself has benefits but it has costs too Many people who struggle with assertiveness are paralyzed by worries that they ll seem mean petty or that they will hurt the other person s feelings Even though they want to speak up they may keep their true needs and opinions to themselves because of these fears eventually building stress resentment and alienation The Guide to Compassionate Assertiveness does not require that readers ignore the needs of others and focus solely on their own desires Rather this unique blend of cognitive behavioral therapy based assertiveness training and Buddhist psychology helps readers practice assertiveness skills while caring deeply about the welfare of others This book helps readers develop a form of assertiveness that emphasizes collaboration negotiation and compromise It focuses on speaking up for the benefit of others and speaking up for the relationship not just one s own needs In this way readers learn to assert their needs in ways that match their compassionate value systems This book is the ideal assertiveness guide for those who are afraid of rejection have a deep concern for how others perceive them often feel judged by others or have difficulty expressing their feelings and needs Readers learn to apply assertiveness skills in all domains of their lives including in romantic relationships as parents at work and in social settings

The Palliative Care and Hospice Caregiver's Workbook Lura L Pethtel,John D Engel,2017-11-22 This educational workbook helps people who build compassionate relationships with dying people Accompanied by its trainer s guide it presents a comprehensive sequential learning program for caregivers in non medical capacities covering everything from self understanding to spiritual issues listening skills and expressive activities developing the skills awareness and resilience needed for this privileged and sensitive role The program includes a variety of learning experiences including large and small group activities discussion close reading creative writing self exploration and skill development and practice This is an invaluable resource for small groups of individuals who wish to volunteer in hospice or palliative care settings A copy of the guide for trainers is included in each pack of workbooks and is also freely available online The best resource I have seen to guide teachers and learners in this complex training process I predict that those of you who try it with your staffs and trainees will find that it bears fruit both for your patients and their families but also for the sustenance and personal development of the staff members themselves Timothy Quill M D in his

Foreword *Psychology Moment by Moment* Elise Labbe,2011-02-03 Psychology Moment by Moment translates mindfulness research into practice by providing clinicians with an evidence based framework for developing and implementing mindfulness based interventions with their clients Readers learn which mindfulness techniques work the latest research in mindfulness how to choose mindfulness techniques for particular clients and how to assess client progress
