Heaven And Earth In The Gospel Of Matthew:

Heaven and Earth in the Gospel of Matthew Jonathan T. Pennington, 2007 A much overlooked aspect of the Gospel of Matthew is the theme of heaven and earth Rather than being a reverential circumlocution for God heaven in Matthew is part of a highly developed discourse of heaven and earth language Matthew s idiolectic way of using heaven language consists of four aspects 1 a distinction in meaning between singular and plural forms of ouranos 2 frequent use of the heaven and earth word pair 3 regular reference to the Father in heaven and 4 the recurrent use of the Matthean expression kingdom of heaven This book examines the historical precedents for each of these aspects and shows in Matthew how they serve one overriding theological purpose to highlight the tension that currently exists between heaven and earth or God and humanity while looking forward to its eschatological resolution *Heaven and Earth in the Gospel of Matthew* Jonathan T. Pennington, St. Mary's College (University of St. Andrews). Faculty of Divinity, 2005 The Kingdom of Heaven on Earth Jeff Doles, 2009-02 THE KINGDOM OF HEAVEN IS HERE ON EARTH Jesus began His ministry proclaiming The Kingdom of Heaven is at hand In other words it is now here Everywhere He went He preached it taught it and demonstrated it by signs and wonders healing the sick and setting the spiritual captives free He brought heaven to earth and taught His disciples how to do it too The Kingdom of Heaven on Earth is a study of the nature and dynamics of the kingdom of Heaven on Earth and how to live and operate effectively in its dominion It is a motivational commentary on select passages in the Gospel of Matthew to stir up your passion for the reality of God s kingdom now at work in the world In this book you will learn about The Kingdom of the Heart The Kingdom of Authentic Living The Treasure of Heaven on Earth Discerning Heaven on Earth The Authority of Heaven on Earth Parables of Heaven on Earth The Glory of Heaven on Earth The Incomparable Value of Heaven on Earth The Controversy of Heaven on Earth Heaven on Earth and the End of the Age The Victorious Kingdom HEAVEN ON EARTH Janelle Rozek Hooper, 2010-10 The kingdom of heaven is not some distant place separated from earth In the Gospel of Matthew Jesus describes the importance of love and announces that the kingdom of heaven has come near Matthew 4 17

HEAVEN ON EARTH Janelle Rozek Hooper, 2010-10 The kingdom of heaven is not some distant place separated from earth In the Gospel of Matthew Jesus describes the importance of love and announces that the kingdom of heaven has come near Matthew 4 17 *Heavenly Imagery and Symbolism in Matthew's Gospel* Daehoon Kang, 2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew s heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew s distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God s plan of salvation Heaven is associated with such key matters as revelation and judgment Each

major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25 31 46 *Fulfilled Israel according to Matthew's Plerosis Paradigm* Andrew D. Dalton, 2024-03-13

Andrew D Dalton argues that for Matthew the fullness Israel enjoys through Christ is a share in the very fullness of God A close examination of Matthew's fulfilment paradigm reveals a triplex via consisting of fundamental continuity radical discontinuity and transcendence completion **The Lord's Prayer and the Sermon on the Mount in Matthew's Gospel**

Charles Nathan Ridlehoover, 2019-12-26 Charles Nathan Ridlehoover examines the Lord's Prayer in Matthew's Gospel focusing on the prayer's centrality and showing how this centrality affects our reading of the Sermon on the Mount and subsequently the prayer itself Ridlehoover argues that the Lord's Prayer is structurally lexically and thematically central to the Sermon on the Mount and the means through which disciples of Jesus are empowered to live out the kingdom righteousness it defines In turn the Sermon on the Mount clarifies what the answer to the petitions of the Lord's Prayer might look like in the life of the disciple of Jesus Whilst the centrality of the Lord's Prayer has been noted by previous commentators this centrality and its intended purpose has not hitherto been defined or examined in great depth Ridlehoover fills this gap with a closely argued and in depth study ranging from methodology and the structure of the prayer itself to examining the Father will forgiveness and evil petitions and the relevance of word and deed for hearers and doers

Ridlehoover's examination of the relationship between the Sermon and Prayer advances studies in compositional criticism and intratextuality **The Sermon on the Mount and Human Flourishing** Jonathan T. Pennington, 2017-06-20 Jesus Creed 2017 Commentary of the Year Outreach 2018 Resource of the Year Theology A Top Five Reference Book for Parish Ministry in 2017 Academy of Parish Clergy The Sermon on the Mount one of the most influential portions of the Bible is the most studied and commented upon portion of the Christian Scriptures Every Christian generation turns to it for insight and guidance In this volume a recognized expert on the Gospels shows that the Sermon on the Mount offers a clear window into understanding God's work in Christ Jonathan Pennington provides a historical theological and literary commentary on the Sermon and explains how this text offers insight into God's plan for human flourishing As Pennington explores the literary dimensions and theological themes of this famous passage he situates the Sermon in dialogue with the Jewish and Greek virtue traditions and the philosophical theological question of human flourishing He also relates the Sermon's theological themes to contemporary issues such as ethics philosophy and economics **Matthew's Parable of the Royal Wedding Feast**

Ruth Christa Mathieson, 2023-06-02 Ruth Christa Mathieson's unique reading of Matthew's parable of the royal wedding feast Matt 22 1 14 which concludes with the king's demand that one of the guests be bound and cast out into the outer darkness focuses on the means of the underdressed guest's expulsion Using sociorhetorical interpretation Mathieson draws the parable into conversation with early Jewish narratives of the angel Raphael binding hands and feet 1 Enoch Tobit and the protocol for expelling individuals from the community in Matt 18 She asserts that readers are invited to consider if

the person who is bound and cast out is a danger to the little ones of the community of faith unless removed and restrained

Cosmology and New Testament Theology Jonathan T. Pennington, Sean M. McDonough, 2008-05-22 For first century people cosmology was a fundamental part of their worldview Whether it was the philosopher contemplating the perfection of the heavenly orbits the farmer searching the sky for signs of when to plant his crops or the desert dwelling sectarian looking for the end of the world the cosmos held an endless fascination and occupied a prominent place in their understanding of life For most ancient peoples cosmology and theology were inseparable Thus when the Jewish and Christian Scriptural traditions begin with the bold claim In the beginning God created the heavens and earth these words make statements which are at once cosmogonic cosmological and theological Scholarship has begun only recently to investigate more fully the various cosmological and cosmogonic traditions that were current in the time of the Old and New Testaments Much of this work however has focused on how OT conceptions of the world compared to other Ancient Near Eastern traditions Much less has been done on the cosmological traditions which stand behind the views of the NT writers Even fewer works have sought to connect cosmological views with NT theology In light of the great importance that cosmology had in ancient peoples worldviews and theological understanding a thorough investigation of this neglected topic is in order Cosmology and New Testament Theology systematically examines the NT documents to show how cosmological language and concepts inform interact with and contribute to the specific theological emphases of the various NT books In some NT books the importance of cosmology can be easily discerned while in others what is required is a new and close examination of key cosmological terms e g heaven earth world creation with an eye to the themes and theology of the book **The Center is Jesus Christ Himself**

Cardinal Timothy M. Dolan, Bishop James Massa, 2021-04-02 The polarization in the Church today can be traced back to a more fundamental crisis in theology one which has failed to connect our mundane experiences and the mysteries of the Christian faith with the person of Jesus Christ Ecclesial discourse on the so called hot button issues of the day too often take place without considering the foundation and goal of the Church And this is unfortunately due to a similar tendency in the academic theology that informs that ecclesial discourse In short much of post conciliar Catholic theology is adrift floating aimlessly away from the center of the Christian faith who is Christ The Center is Jesus Christ Himself is a collection of essays which anchor theological reflection in Jesus Christ These diverse essays share a unified focal point but engage with a variety of theological subdisciplines e g dogmatic moral Biblical etc areas e g Christology Pneumatology missiology etc and periods e g patristic medieval and modern Given the different combinations of sub disciplines areas and periods theology is susceptible to fragmentation when it is not held together by some principle of unity A theology in which the person of Jesus Christ serves as that principle of unity is a Christocentric theology Together the essays illustrate not only what Christocentric theology looks like but also what the consequences are when Christ is dislodged from the center whether by a conspicuous silence on or by a relativization of his unique salvific mission The volume is published in honor of Emeritus Professor of Systematic

Theology at Boston College Rev Dr Robert P Imbelli who dedicated his teaching and writing to bringing Christ back to the center of Catholic theological discourse **The New Christian Zionism** Gerald R. McDermott,2016-09-10 Christian Zionism is often seen as the offspring of premillennial dispensationalism But the authors of this work contend that the biblical and theological connections between covenant and land are nearly as close in the New Testament as in Old Written with academic rigor this provocative volume proposes a place for Christian Zionism in an integrated biblical vision today

Don't Fire Your Church Members Jonathan Leeman,2016-01-15 The goal of this book is to present a fresh and innovative argument for congregationalism *That His Spirit May Be Saved* Jeremy M. Kimble,2013-12-10 In an age of tolerance and moral laxity the implementation of church discipline is often looked upon with disdain fear or incredulousness However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time judgment As such discipline also serves as a means to the sinner's repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one's faith *Drama of the Divine Economy* Paul M. Blowers,2012-10-11 An introduction to the multiplex relation between Creator and creation as an object both of theological construction and religious devotion in the early church The book argues that patristic commentators were motivated less by cosmological concerns than the desire to depict creation as the enduring creative and redemptive strategy of the Trinity **Enjoy the Good News** Alan Hogan,2016-06-30 After more than 50 years as a lawyer having been a clerk Judge's associate barrister solicitor law teacher and five various types of judicial officer Alan Hogan decided to retire in order to do something different He obtained a Masters degree majoring in Biblical Studies at the Catholic Institute of Sydney He was astonished at how little he had known about the fundamental documents of his religion This book is an attempt to share some of what he learnt about the New Testament with other Catholics and with anyone else who may be interested It is not so much a book about the New Testament as a plan for reading all the books that go to make it up roughly in the order in which they were written with such additional information as to make available the message that each author intended to convey Divine Covenants and Moral Order David VanDrunen,2014-05-14 This book addresses the old question of natural law in its contemporary context David VanDrunen draws on both his Reformed theological heritage and the broader Christian natural law tradition to develop a constructive theology of natural law through a thorough study of Scripture The biblical covenants organize VanDrunen's study Part 1

addresses the covenant of creation and the covenant with Noah exploring how these covenants provide a foundation for understanding God's governance of the whole world under the natural law Part 2 treats the redemptive covenants that God established with Abraham Israel and the New Testament church and explores the obligations of God's people to natural law within these covenant relationships In the concluding chapter of Divine Covenants and Moral Order VanDrunen reflects on the need for a solid theology of natural law and the importance of natural law for the Christian's life in the public square 07

02 **The Sources of the Synoptic Gospels** Wilfred Lawrence Knox, 1953 **Catholic - Jewish Engagements on Israel** Gavin D'Costa, Vito C. Etienne, White O. Thomas Joseph, 2025-07-25 This is the first volume of its kind bringing together a group of international Jewish and Catholic scholars in creative conversation addressing the question of the status of the land called Israel Is Israel best viewed as political territory the Holy Land or part of the biblical promise If committing to one of these options what are the theological and political consequences The book is divided into sections that take the reader through several related questions that bear upon this topic There is a preface with an overview of how far Catholic Jewish conversations have gone since *Nostra Aetate* and how these conversations have now begun to address the land Then there is an attempt to advance positive theological cases by Catholics and Jews affirming the people in the land as theologically significant not without difficulties regarding the state itself The next section deals with the Bible/Tanakh as the basis of such claims and addresses the different reading strategies by each community One of the central questions is then addressed what of the Palestinian people do the biblical promise to the Jewish people spell disaster for the Palestinians Can revelation mean dispossession The following essays address a stumbling block for both groups do Jewish and Christian theologies underwrite a nation state Isn't this option perilously close to God underwriting nationalism The book ends with subtle critiques of the entire venture undertaken in this volume Essential reading for Catholic Jewish relations and one that addresses one of the most pressing contemporary questions for both religions
