Heidi And The Kaiser:

Heidi and the Kaiser Selena Kitt, 2009-12-22 Mousy little Heidi is a wanna be designer who works as nothing more than a glorified go fer for one of the largest and most well known companies in the world of fashion When she accidentally stains CEO Mr Kaiser s pants she gets two things she didn t expect a spanking and a job Kaiser hires her as his assistant and her training proves to be quite a test of surrender Warning This title contains erotic situations graphic language spanking domination submission and an office romance hot enough to leave handprints 2011 EPIC AWARD FINALIST EXCERPT Heidi took a deep breath glancing around the office I ve never been anyone s secretary He shook his head smiling Irrelevant You have what I need I do She met his eyes her breath coming a little faster as she squirmed in her seat His eyes were dark moving over her and she couldn t help remembering the incident in the bathroom I need someone who can follow orders He leaned back in his chair again and she could see the memory of yesterday in his eyes Who would be willing to do whatever I asked You showed me yesterday that you are quite willing Heidi swallowed pressing her damp palms to her shorts I m not sure I know what you mean Yes you do His eyes were smiling I compensate very well You would be my assistant answering my calls handing my correspondence and taking care of my professional and personal needs during the day Would you be interested in such an arrangement It wasn t the promise of money or the poshness of his office or even the fact that he was the head of one of the richest fashion companies in the world it was the way he looked at her with nothing concealed or disguised His eyes saw directly through her and there was no smugness in the way it appeared as if he had her figured out because he had They both knew it and there was only one answer she could give him Yes She squeezed her hands together her legs too Sir He gave her a nod Good I think we ll both be satisfied with the arrangement Opening the top drawer of his desk he withdrew a large white envelope and slid it across the blotter Heidi didn t know if she should take it or not so she kept her hands clasped just looking from him to the envelope This contains general information about Kaiser which you have already of course since you are essentially already in my employ he explained There is also a contract and information about duties as well as your salary and benefits She nodded looking at his hand the buffed square nails resting on the stark envelope Her bottom tingled remembering how red his palm had been after he spanked her Shifting in her seat she crossed one knee over the other trying to make herself more comfortable with the yearning ache between her legs If for some reason you read those over and change your mind He nodded toward the envelope You simply need to tell me and you will consequently stay in your current position I can t imagine why I would object No He smiled I don t imagine you will In spite of the apparent haste of my offer I actually choose my assistants quite carefully Standing he leaned his palms on the desk blotter his eyes moving down the front of her t shirt looking at her hands in her lap Now there is just the matter of your tardiness Her heart leapt and she met his eyes feeling faint My tardiness Mr Kaiser reached underneath the desk and Heidi heard the door behind her lock The sound made her mouth go dry One of the things that I cannot abide is lateness He

reached down and unbuckled his belt She felt faint as she watched it slipping through the loops of his pants So Long at the Fair Christina Schwarz,2009-07-14 Is it possible to be in love with two women at the same time This is a question Jon has been asking himself frequently these days He s loved his wife Ginny since the days when a chance encounter in the halls of their high school would leave him unable to speak But recently Jon has found himself bewitched by Freddi his colleague at the ad agency where late night brainstorming sessions devolve into giggles and sexual attraction As Jon s guilt becomes all consuming and Ginny inches closer discovery a secret kept for thirty years threatens any hope of salvation Weaving together past and present in a small Midwestern town Schwarz beautifully conjures the emotional labyrinth of a marriage on the brink of collapse and a history of love and revenge The Kaiser's Lost Kreuzer Paul N. Hodos,2018-01-14 In the final year of World War I Germany made its first attempt to wage submarine warfare off faraway shores Large long range U boats short for unterseeboot or undersea boat attacked Allied shipping off the coasts of the U S Canada and West Africa in a desperate campaign to sidestep and scatter the lethal U boat defenses in European waters Commissioned in 1917 U 156 raided commerce transported captured cargo and terrorized coastal populations from Madeira to Cape Cod In July 1918 the USS San Diego was sunk as it headed into New York Harbor the opening salvo in a month long series of audacious attacks by U 156 along the North American coast The author chronicles the campaign from the perspective of Imperial Germany for the first time in English Helga's Story Peter Woodruff,2011-08-09 Living history through the eyes of a young German girl Based on a true story Like many little girls Helga Reiter dreams of horses More than anything the six year old wants to learn to ride and become a great equestrian But in 1941 the world is at war Having overrun much Europe and North Africa Germany s glorious military has no spare horses for frivolous childhood dreams Stubborn as any good German shoulder Helga contrives several ill fated attempts to ride By late 1944 Helga has no choice but to forgo her dream and face a terrible reality Her country is losing the war As Germany is crushed between the Soviet and Allied advance the Reiter family struggles to survive one day at a time Directory of Corporate Counsel, 2025 Edition In house, **The American Kennel Club Stud Book Register** ,1967 **Directory of Corporate Counsel, Spring 2024 Edition** , Domestic Violence and Health Care ,2002-09-23 Explore methods and techniques that health care providers can use to treat battered women more humanely and effectively This vital book examines the role of health care in the struggle to combat domestic violence It shows how physicians can and should respond to victims of domestic violence shares the success of the Family Violence Prevention Project discusses what healthcare providers need to know about elder abuse examines primary care physicians screening practices for female partner abuse and looks at the way Emergency Department personnel perceive the results of intimate partner violence IPV It also shows how family planning clinics can become empowerment zones of battered women living in a rural setting and assesses the success of the WomanKind Program an integrated model of 24 hour health care response to domestic violence against women Domestic Violence and Health Care Policies and Prevention also investigates

the relationship between perceived barriers and screening practices explores attitudes toward mandatory domestic violence reporting inquires into what pregnant women who have been abused think about their partners and their relationships examines the difference between Mexican and American women's perception of the severity of various acts of abuse discusses the efficacy of an IPV assessment form using icons rather than descriptions to better communicate with migrant seasonal workers whose command of English is poor From the editors We have learned that screening for domestic violence by itself is a powerful intervention and can make a significant difference in a woman's life It helps validate that there is no excuse for domestic violence and demystifies the belief that providers are a part of the problem and not part of the solution We have also learned that the consequences of intimate partner violence are manifested in a range of health conditions as well as in increased overall costly health care utilization Screening tools and proposed mechanisms for treatment and follow up are available The next step in this effort requires validation of the screening tools and evaluation of the interventions currently underway The purpose of this book is to provide some insight into our current understanding of the role health care plays in recognizing and treating victims of domestic violence We hope to contribute to the understanding of the complexities of the causes and consequences of domestic violence on the life of a woman and to provide insight into ways to positively alter the health care system and provider behavior

West Germany and the Global Sixties Timothy Scott Brown,2013-10-10 The anti authoritarian revolt of the 1960s and 1970s was a watershed in the history of the Federal Republic of Germany The rebellion of the so called 68ers against cultural conformity and the ideological imperatives of the Cold War against the American war in Vietnam and in favor of a more open accounting for the crimes of the Nazi era helped to inspire a dialogue on democratization with profound effects on German society Timothy Scott Brown examines the unique synthesis of globalizing influences on West Germany to reveal how the presence of Third World students imported pop culture from America and England and the influence of new political doctrines worldwide all helped to precipitate the revolt The book explains how the events in West Germany grew out of a new interplay of radical politics and popular culture even as they drew on principles of direct democracy self organization and self determination all still highly relevant in the present day
