Dinosaur is a Man's Best Friend 7 Wayne Kyle Spitzer, 2018-08-30 It s okay he said softly gently I know you belong to him Like I said we just got carried away That s all She lay against his chest in silence for what seemed a long time I don t know who I belong to anymore she said And soon she slept and dreamed once again in which she found herself making love to her husband in the shitty trailer house in Anchor Rock which morphed into the ramshackle house in Lonepine and Will which bled into the tent with Sammy and the vision a vision to which she returned lost wandering until she found the man in the dirty bandana Until they too were making love or a perversion of it and she knew not in truth who she even was anymore but sensed that she had become not just a woman but a focusing point an epitome a river of menstrual blood as dark as it was unpredictable the mother and whore to the entire world [A Dinosaur is a Man's Best Friend \(A Serialized Novel\), Part](#)

[Two: "Into the Badlands"](#) Wayne Kyle Spitzer, 2018-07-25 You talk to yourself a lot don t you said Luna Williams looked at her

and finally smiled in spite of himself Or it just may be that he s really talking to me and you just can t hear it He tweaked her nose Yet Either way you need to eat something and get some sleep We all do We ve got a big day ahead of us tomorrow Why a big day Ank camping gear he said and the dinosaur folded his front legs with a groan Because we re going to head out for Barley s in the morning He loosed his bedroll from the supplies strapped to Ank s back and tossed it to her The place where the sounds on your radio come from We ve we re searching for something A place we call Tanelorn And we think that might be it Tanelorn she repeated What s that Williams rested his arms on the bundles of supplies thinking about it I don t know exactly I reckon it s just a place someone feels drawn to even if they don t know why A place where the homeless can find a home maybe He looked at the lights in the sky the Alien Borealis as Ank called it and wondered But it may be that it s something else a kind of Omega Point A place where all the colors of the spectrum meet like a prism And become focused into a single burning light Maybe that s what people mean when they talk about the power and the glory He tugged on a rope releasing a waterfall of pots and pans Meh It s just something to keep us going Like a magnifying glass she said ignoring his last statement He paused thinking about it Like a magnifying glass he agreed Then he added Now what ll it be Beans or beans
