Backstory Patrick McGilligan,1986 Interviews with screenwriters **Los Angeles Saturday Night** ,1928 The Nation ,1929 Southern Pacific Bulletin ,1929 *The McLaurys in Tombstone, Arizona* Paul Lee Johnson,2012 Discusses the history and lives of the McLaughry family of Tombstone Arizona The Money and the Power Sally Denton,Roger Morris,2002-05-07 Las Vegas the name evokes images of divorce and dice gangsters and glitz But beneath it all is a sordid history that is much more insidious and far reaching than ever imagined The Money and the Power is the most comprehensive look yet at Las Vegas and its breadth of influence Based on five years of intensive research and interviewing Sally Denton and Roger Morris reveal the city s historic network of links to Wall Street international drug traffickers and the CIA In doing so they expose the disturbing connections amongst politicians businessmen and the criminals that harness these illegal activities Through this lucid and gripping indictment of Las Vegas Morris and Denton uncover a national ethic of exploitation violence and greed and provide a provocative reinterpretation of twentieth century American history Now this neon maelstrom of ruthlessness and greed stands to not as an aberrant sin city but as a natural outgrowth of the corruption and worship of money that have come to permeate American life **Violence in America** Ted Robert Gurr,1989-06 Violence in America The History of Crime presents a wealth of new research on the long term dynamics of murder and other crimes of violence The contributors clearly identify and diagnose the painful circumstances of recurring epidemics of violent crime that have swept the American society over the past 150 years Among the possible causes discussed are waves of immigration the social dislocations of war and growing concentrations of urban poverty In addition this engaging volume offers an evaluation of the traits of political assassins and an assessment of the pros and cons of gun control and whether or not it will help to reduce crimes of violence Surprisingly the contributors to this compelling volume present the idea that the

past and present dynamics of violent crime projected into the future suggest grounds for cautious optimism This outlook is based on recent increases in effective criminal justice policies and the widespread efforts to remedy the social disintegration that breeds violent crime Students and professionals in history criminology victimology political science and other related fields will find this volume to be essential reading For both volumes This is a major timely and immensely welcome addition to the literature on violence in American society With fresh scholarship and new insights it updates a classic study of violence first published in 1969 It would make a valuable addition to courses on American social history as well as classes specifically addressing violence and crime in this society John J Broesamle California State University Northridge The Publishers Weekly ,1928 **Liberty** ,1935 **The Rough Guide to USA** Samantha Cook,Greg Ward,Tim Perry,Rough Guides (Firm),2004 The Rough Guide to the USA is the most comprehensive and colourful guide to the fifty states available There are lively accounts of every region and attraction from the bright lights of Broadway to the vast open plains of Wyoming The guide gives refreshingly opinionated reviews of the established sights and landmarks as well as uncovering many of the lesser known gems allowing the visitor to make the most of their trip There are feature boxes that provide information on a variety of subjects from the Delta blues to the geology of the Grand Canyon There are also maps and plans to help you navigate around the major attractions inner city streets or interstates AB Bookman's Weekly ,1997
