Nazi Cinema's New Women Jana F. Bruns,2009-04-27 This book examines the careers of three of Nazi cinema s preeminent movie actresses painting a unique portrait of mass entertainment and stardom under Nazi rule Bruns uses undiscovered sources and a new approach which integrates visual analysis within a thorough political and social context to trace how the Nazis tried to use films and stars to build National Socialism This analysis focuses on female stars an important but largely unexplored area because they were mostly responsible for Nazi cinema s spectacular commercial success and political failure Challenging earlier studies which view Nazi cinema as an effective propaganda instrument that helped turn Germans into devoted Aryan mothers and tough warriors the book shows that the Nazi regime s liaison with the cinema was ambivalent Films failed to disseminate a coherent political message and to Nazify German society However they helped the regime maintain power by diverting people s attention from the brutality of Hitler s rule and eventually from impending defeat **1000 and One; the Blue Book of Non-theatrical Films** ,1954 To-day's Cinema News and Property Gazette ,1950 *1000 and One* ,1942 Bulletin University of Minnesota,1935 **In My Bedroom** Donna Hill,2005-01-01 A woman embarks on a journey of recovery as she grapples with old trauma and a recent tragedy in this beautifully written novel Kimberla Lawson Roby In My Bedroom is so powerful and mesmerizing that I was compelled to read it in one sitting The characters are well drawn and full of life I feel like I know them personally Mary Monroe author of God Still Don t Like
