IMPULSE

A woman in a white blouse and dark skirt is running through a field of tall grass. She is looking back over her shoulder, holding a small object in her hand. The sky is filled with large, dramatic clouds, and the overall tone is somber and intense.

Hells Half Acre Novel Nicholas Nicastro:

Hell's Half-Acre Nicholas Nicastro, 2015-11-10 Welcome to the bloody end of bleeding Kansas Based on true events this unforgettable novel tells the story of the Bloody Benders a family of grifters and thieves running an isolated feed store on the Kansas plains boarding travelers along the Great Osage Trail Beautiful Kate Bender was mysterious and well versed in the dark arts Ma and Pa were quiet and foreboding speaking in guttural tones and young John Bender was thought to be insane On land soaked with the blood of conflict the Benders made their home And one by one prairie travelers began to disappear Rooted in history this is a vivid tale of the Benders origins and how they became some of the most horrific figures in early post Civil War America This gruesome Western thriller is perfect for lovers of Sweeney Todd and fans of John Harwood and Sarah Raynes

Ella Maud Nicholas Nicastro, 2018-08-28 On a cool November evening in 1901 Ella Maud Nell Cropsey went out on her porch with her long time boyfriend Jim Wilcox It was an evening like many before in a town like any other where extraordinary things rarely happened Except this time Nell did not return The mystery of her disappearance is still unsolved haunting the community where it unfolded It is the archetype of the modern news event followed by millions around the nation and abroad at the dawn of the 20th century Later it became a celebrated Big Trial straining primitive wire services as they struggled to give readers the descriptions pictures and details they craved Finally it became an unlikely redemption story as voices around the nation rose up against what many viewed as a miscarriage of justice The tragedy of Nell Cropsey contains the seeds of a thousand true life sagas of despoiled innocence of vanishing and murder and exoneration in the hot light of media scrutiny down to today In this speculative novel Nicholas Nicastro marshals contemporary accounts forensic science psychology and the skills of a veteran historical novelist to reimagine Nell s person family world and legacy Did Jim Wilcox have something to do with her fate Or did the rush to judge him conceal another more troubling reality one that could not be washed away by the oily waters of the Pasquotank River In the middle of it all Wilcox remained curiously still hardly defending himself as the argument raged in the town and around the nation what befell Nell Cropsey In this novel set in the early 1900s one act tragically ruins the lives of two families Based on a true story this work of speculative fiction explores the murder of Ella Maud Nell Cropsey the attractive 19 year old standout of a large family of transplanted Northerners in Elizabeth City North Carolina After a breakup with Jim Wilcox her longtime beau Nell disappears Some speculate that she ran off to seek her fortune in a large metropolis while others fear that she harmed herself But after her body pops up in a local river weeks later suspicion falls on rough edged Jim There s a palpable sense of opportunities lost because of her death at such a young age In this well researched book Nicastro cannily reveals just enough about Nell s death to make readers uneasy until just before the wistful conclusion Nell is gone but her death also effectively ends the lives of Jim Ollie William and Mary the sisters long suffering mother The author skillfully makes his point that one misdeed produces many victims The author continues his successful run of historical fiction with this thought provoking crime tale Kirkus Reviews **Hell's**
