Henry Virkler Christian Guide To Critical Thinking:

A Christian's Guide to Critical Thinking Henry Virkler, 2006-06-26 Have you ever heard a Bible interpretation or a scientifically based argument that just didn't seem correct? Did you wish you knew how to show that it wasn't true? In a postmodern society, Christians are increasingly confronted with assertions that contradict the principles they believe. They need to be able to critically analyze arguments and know how to refute in a gentle way those assertions that are not true. In order to do this, Christians need three sets of skills: hermeneutical skills to know how to accurately interpret God's Word and be able to correct misinterpretations of Scripture; research design and statistical skills to be able to examine statements about God's world and evaluate whether or not they represent valid conclusions from the data; knowledge of logical fallacies in order to be able to identify when invalid inductive or deductive conclusions were being drawn either from God's Word or from research studies about God's world. This book will help you be able to do the following: know and use valid hermeneutical skills; understand research design and statistical analysis techniques; recognize logical fallacies and replace them with accurate analyses. An excellent resource for pastors, Sunday school teachers, and group leaders, this book is as practical as it is valuable for persons who want to discern truth and refute error in a spirit of love. **A Christian's Guide to Critical Thinking** Henry A. Virkler, 1993

From Legalism to Freedom Dallas R. Burdette, 2008-08 In 1517 Martin Luther took a stand for justification by faith alone in the finished work of Christ upon Calvary. As a result of his position, he suffered persecution for adhering to the Scriptures alone and not to traditions. This book traces my spiritual journey from legalism to freedom in Christ. In sixteen chapters, I map out my heritage within the Churches of Christ and the motivations that eventually led me out of bondage to liberty. One of the lengthiest chapters in this book is "Where the Scriptures Speak." One objective of this chapter is to help individuals to understand that one may speak where the Bible speaks and not necessarily speak as the Bible speaks. Chapters 11, 12, and 13 represent the very heart of my escape from authoritarianism to my dependence upon God's righteousness—a righteousness from God through faith in Jesus. Chapter 14 focuses on preaching in the early church. Without an understanding of the Gospel that the apostles proclaimed, Christians will never learn the spirit of toleration for differences within the Christian community. Chapters 8, 15, and 16 give attention to the Last Supper. The communion should be a constant reminder of the Cross and true unity among God's children. Chapter 1, 2, and 3 outline my original journey of faith. Dallas Burdette has been a serious student, teacher, and preacher of the Bible for fifty-eight years, supporting himself for many years as an agent for AFLAC. He has written numerous articles for religious journals as well as many essays and sermons which are available on his website. He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word. He has degrees from Amridge University (formerly Southern Christian University) where he also was Director of Extended Learning for five years. He holds the Doctor of Ministry degree, 1999, from Erskine Theological Seminary. **SAT & College Preparation Course for the Christian Student** James P. Stobaugh, 2011
