The Hendryks refugees in England have lost everything Karl with his talents charm and hard work rebuilds their lives But Anya his wife is fatally ill and so her old friend Lisa who secretly loves Karl lives with them and runs the house The three are very close Their serenity is shattered when wealthy brainless but headstrong Hellen Rolander bribes her way into taking private lessons from Karl Her infatuation for him being unreturned she doesn't stop at murder to clear the way But after Anya's death Hellen realizing her schemes were futile commits suicide So Anya's death is pinned on Lisa backed by evidence from a scandal mongering char lady Lisa's found not guilty and after their mutual agony she and Karl build a new life from the wreckage **"The" Athenaeum**, 1869 *1000 and One*, 1927 *The Saturday Review of Politics, Literature, Science and Art*, 1885 **British Books**, 1906 **The Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1901 **The Publishers Weekly**, 1929 **The Bookseller**, 1908 Official organ of the book trade of the United Kingdom **The Gay Detective Novel** Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e.g. homophobia the closet gay marriage and the novels and series that address each of those themes **Bookseller and the Stationery Trades' Journal**, 1908 **Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1901 *Catalog of Reprints in Series*, 1949 *Fifties American Cars* Mike Mueller, 1994
