Here S The Man Here S The Man:

A Nervous Man Shouldn't Be Here in the First Place Amy Paige Condon, 2020-10-20 This is not a simple life my friend and there are no simple answers The late editor of the late Miami News Bill Baggs stamped these words on plain white postcards and sent them to readers who sent him hate mail a frequent occurrence as Baggs a white editor of a prominent southern newspaper championed unpopular ideas in his front page columns such as protecting the environment desegregating public schools and peace in Vietnam Under his leadership the Miami News earned three Pulitzer Prizes For his stances Baggs earned a bullet hole through his office window police officers stationed outside his home and a used Mercedes outfitted with a remote starter so that if it had been rigged with a bomb it would blow up before he opened the door Despite his causes and accomplishments when Baggs died of pneumonia in 1969 at the age of forty five his story nearly died with him and that would have been a travesty because Baggs still has so much to teach us about how to find the answers to those not so simple questions like how to live in peace with one another In this first biography of this influential editor Amy Paige Condon retraces how an orphaned boy from rural Colquitt Georgia bore witness and impacted some of the twentieth century s most earth shifting events World War II the civil rights movement the Cuban Missile Crisis and the Vietnam War With keen intellect and sparkling wit Baggs seemed to be in the right place at the right time From bombardier to reporter then accidental diplomat Baggs used his daily column as a bully pulpit for social justice and wielded his pen like a scalpel to reveal the truth

Criminal Law and the Man Problem Ngaire Naffine, 2019-04-04 Men have always dominated the most basic precepts of the criminal legal world its norms its priorities and its character Men have been the regulators and the regulated the main subjects and objects of criminal law and by far the more dangerous sex And yet men as men are still hardly talked about as the determining force within criminal law or in its exegesis This book brings men into sharp focus as the pervasively powerful interest group whose wants and preoccupations have shaped the discipline This constitutes the man problem of criminal law This new analysis probes the unacknowledged thinking of generations of influential legal men which includes the psychological and legal techniques that have obscured the operation of bias even to the legal experts themselves It explains how men s interests have influenced the most cherished legal norms especially the rules of human contact which were designed to protect men from other men while specifically securing lawful sexual access to at least one woman The aim is to test the discipline s broadest commitments to civility and its trajectory towards the final resolution when men and women were declared to be equal and equivalent legal persons In the process it exposes the morally and intellectually limiting consequences of male power

Man in the Crowd Stanley Cohen, 2012-07 For Stanley Cohen, baseball is the prism through which he views the events of the last seventy years. In *The Man in the Crowd*, Cohen chronicles America's changing mood and lifestyle from the years of World War II through the silent generation of the fifties, the revolutionary turmoil of the sixties through the social decay of the seventies, the excess of the eighties through the technological transformation of the nineties up through the sobering uncertainty of the post-9/11 present day. His narrative spans four generations as he recounts in sparkling prose how, for his immigrant father, sports was a means of assimilation into life in the New World; the warmth of watching his son; and later, his grandson, both fall heir to his devotion and how the game of baseball has provided his life with its truest sense of continuity.
