Kerris War Volume Three Of The King Trilogy:

The Bridge To Caracas Stephen Douglass, 2014-05-23 Jim Servito shatters the hopes and aspirations of star crossed lovers Mike King and Karen Taylor while simultaneously engineering a grand theft ranking as one of the largest and most audacious in Canadian and U S history Cynical and remorselessly ruthless he possesses a brilliant criminal mind has enormous contempt for the law police governments and the system in which they function He assumes rules are for fools and takes sadistic pleasure in breaking them Using The Peace Bridge as his fulcrum he steals 325 000 000 from the U S and Canadian governments steals enormous quantities of gasoline by illegally installing valves in Golden National s Buffalo refinery then murders everyone who can implicate him

Kerri's War Stephen Stephen Douglass, 2018-08-12 A beautiful love story I just can t get enough of this series I want to follow the characters to the end of their days A very powerful and touching read Couldn t get any better than this If you don t read this book it is your loss I loved it I have just completed this third tale of the King Family and the twists and turns they have faced for two generations These books are rare While the characters in all three thread together each book is a totally singular narrative The plot lines are complex yet the author s strength and this is a rare talent is keep you in the loop even if an event he is referencing happened decades in the past and you haven t read another of the King saga The book is a great finish to the trilogy powerful convincing and inspiring I read the 3 book King Trilogy in 3 days It was great had trouble setting it down to get some sleep Of all three I believe this is my favorite one Each book stands alone even though the collection is a trilogy I have just completed this third tale of the King Family These books are rare While the characters in all three thread together each book is a totally singular narrative The plot lines are complex yet the author s strength and this is a rare talent is keep you in the loop even if an event he is referencing happened decades in the past and you haven t read another of the King saga All three are well written and keep your attention in every chapter Douglass has a firm command of the financial and commodities markets and the legal system His dialogs are real He paints great scenes and portrays action well If you enjoy a rich read with a genuine sense of the realities the characters inhabit then these three novels will not disappoint You are about to read the story of a thirty three year old woman who chose to go to war with the greed and avarice of big business the overwhelming power of the U S Internal Revenue Service and a billion dollar shareholder lawsuit against her Simultaneously she chose to fall in love with a man who was engaged to marry another woman Kerri King s dedication and tireless work ethic had taken her to the top She was the president and CEO of Iacardi Sons one of the largest and most successful commodity trading companies in the world Everything was perfect until the company was nearly decimated by the terrorist attacks on September 11 2001 Tormented by the loss of all but three of the company s New York employees and driven to provide a source of income for the families and loved ones of the Iacardi employees who died on that terrible day she begins the fight to rebuild the company Virtually all of the cards and circumstances are stacked against her The company is broke Charles and Mario Iacardi the company s

founders and financial providers are dead Peter Tavaris Walter Deaks and Billie Dukes the three surviving New York employees are vehemently opposed to Kerri s continuing leadership Enerco a gigantic Houston based energy trading company conspires to purchase Iacardi Sons and employs every dirty trick in the corporate playbook to accomplish that objective Desperate to salvage value for their Iacardi stock the shareholders launch a billion dollar lawsuit against Kerri and vote to have her removed as president In her quest to provide financial relief to the estates of deceased Iacardi employees Kerri choses to give away to the Iacardi estates every cent of the fortune accruing from her father s tainted trust Her decision triggers disastrous consequences doled out by the Internal Revenue Service Kerri s troubles are not confined to the corporate world Just when she thinks she has at last found the love of her life she is horrified to receive an invitation to his wedding in Naples Florida on New Years Eve December 31 2001 The wedding is like no other she or any of the invitees have ever attended
