Can't Be Taught David Rigoni,2002-08-27 The current educational culture of standards accountability and creeping educational capitalism finds teachers increasingly teaching laundry lists of facts and skills Less attention is being paid to the big picture or worldview Author David Rigoni offers an alternative perspective Using a shaman metaphor he examines how the most important learning in a professional program takes place between the lines of the formal curriculum He argues that this worldview change ought to be intentional and that all aspects of the educational process ought to work to that end To clarify what is needed the book then looks to educators from throughout history who worked with their students with a total focus on changing their worldviews These educators of course are the shamans Love for the Right Reasons Donna L Rich,2013-05-01 Bev won t let him go Even five years after his death Bev Lahmeyer s husband outshines any man she s ever known And he was willing to forget her mistakes Love like that doesn t happen twice So when widower Kevin Sample arrives in Lake Serenade Florida with plans to revitalize the diner where Bev works she s not sure how to respond to her handsome boss or what her heart does every time she sees him Although attracted to Bev Kevin is hesitant to begin a relationship He has his hands full worrying about his grown daughter and raising his teenage granddaughter But as feelings grow they embark on a romantic journey until devastating news brings the courtship to a halt Both will have to forgive painful pasts before love takes root forever after **Farm Girl** Joyce Pearson,2010-08-20 Nadia grew up on a small farm in northern Minnesota Her family life was filled with love fun and hard work She had two older sisters and an older brother whom she adored School was easy for Nadia and she had no trouble earning As As her senior year approached she crafted a life plan that included a goal of getting her BA MA and PhD in as few years as possible She wanted to be a clinical psychologist and work with the underprivileged Nothing absolutely nothing could change this plan But was that indeed the case It was until an unbelievably talented and good looking Minnesota Twins baseball player picked her out of a game crowd and won her heart immediately and forever Would Nate try to change Nadia s life plan Would she let him **The Golden Scar** Carl Adrignola,2019-06-07 Paranormal investigator Kevin Falsone his wife Katie Hopkins and their daughter Sabrina are on another adventure This time strange happenings are taking place at Ksiaz Castle in Poland It seems the Twelve Knights of the Round Table are making appearances about the castle for no apparent reason The knights materialize at the most unexpected times mystifying caretaker Conrad Trotsky Fearing tourism will suffer drastically Mr Trotsky wants answers and calls on Kevin for assistance Along with Nate Skinnert his equipment man and Madame Paschal medium and owner of 1692 the wax museum in Salem Massachusetts they try to solve the supernatural mystery and put Conrad Trotsky s mind at ease Octogenarian Mario Brunelli simply Brunelli to his friends is thrown into the mix following instructions given to him by an Etch A Sketch a child s toy introduced to the world in 1960 *The News Sorority* Sheila Weller,2014-09-30 Weller rivetingly recounts these gutsy ladies time on the front lines an inspiration for future generations of journalists Vanity Fair For decades women battered the walls of the male fortress of television journalism After fierce struggles three women Diane Sawyer Katie

Couric and Christiane Amanpour broke into the newsroom's once impenetrable boys club. These women were not simply pathbreakers but wildly gifted journalists whose unique talents enabled them to climb to the top of the corporate ladder and transform the way Americans received their news. Drawing on exclusive interviews with their colleagues and intimates from childhood on, *The News Sorority* crafts a lively and exhilarating narrative that reveals the hard struggles and inner strengths that shaped these women and powered their success. Life outside the newsroom—love, loss, child rearing—would mark them all, complicating their lives even as it deepened their convictions and instincts. Life inside the newsroom would include many nervy decisions and back-room power plays previously uncaptured in any media account. Taken together, Sawyer's, Couric's, and Amanpour's lives as women are here revealed not as impediments but as keys to their success.

Raised in Louisville, Kentucky, Diane Sawyer was a young woman steering her own unique political course in a time of societal upheaval. Her fierce intellect, almost insuperable work ethic, and sophisticated emotional intelligence would catapult Sawyer from being the first female on-air correspondent for 60 Minutes to presenting and anchoring the network flagship ABC World News. From her first breaks as a reporter all the way through her departure in 2014, Sawyer's charisma and drive would carry her through countless personal and professional changes. Katie Couric, always conveniently underestimated because of her girl-next-door demeanor, brazened her way through a succession of regional TV news jobs until she finally hit it big. In 1991, Couric became the cohost of *Today*, where over the next fifteen years she transformed the female slot from secondary to preeminent while shouldering devastating personal loss. Couric's greatest triumph and most bedeviling challenge was at CBS Evening News as the first woman to solo anchor a nighttime network news program. Her contradictions—seriously feminist while proudly sorority-girlish—made her beyond easy typecasting and as original as she is relatable. A glamorous, unorthodox cosmopolite raised in pre-revolution Iran amid royalty and educated in England, Christiane Amanpour would never have been picked out of a lineup as a future war reporter until her character flourished on catastrophic soil: her family's exile during the Iranian Revolution. Once she knew her calling, Amanpour shrewdly made a virtue of her outsider status, joining the fledgling CNN on the bottom rung and then becoming its face, catalyzing its rise to global prominence. Amanpour's fearlessness in war zones would make her the world's witness to some of its most acute crises and television's chief advocate for international justice. Revealing the tremendous combination of ambition, empathy, and skill that empowered Sawyer, Couric, and Amanpour to reach stardom, *The News Sorority* is a detailed story of three very particular lives and a testament to the extraordinary character of women everywhere.
