

Keystone Exam Frequently Asked Questions (FAQ)
adapted from the PA Department of Education

1. Q: What are Keystone Exams?

Keystone Exams are state mandated end-of-course tests intended for students in the Class of 2017 and beyond to demonstrate proficiency in core subjects. The expectation is that all students will pass these tests in order to graduate.

2. Q: What subjects have a related Keystone Exam?

Algebra I, Biology, and English Literature, are the first three Keystone Exams to be implemented.

Council Rock students taking the following courses will take the respective Keystone Exam:

- Algebra I, Accelerated Algebra I, and Honors Algebra I pairs with the Algebra I Keystone Exam
- Biology, Accelerated Biology, and Honors Biology pairs with the Biology Keystone Exam.
- Foundations English 10, English 10, Accelerated English 10, and Honors English 10 pairs with the English Literature Keystone Exam.

3. Q: How are Keystone Exams related to high school graduation requirements at Council Rock?

Students graduating in 2017 and after must demonstrate proficiency in Algebra I, Biology and English Literature and earn 23 credits to fulfill the graduation requirements. Students graduating before 2017 will be required to take the Keystone Exams as required by the state but their results will not be counted towards their graduation requirements.

4. Q: When do students take Keystone Exams?

Keystone Exams are attached to a particular course, not a student's grade level. The exam is administered like a final exam when the course is completed and according to the exam schedule as determined by PDE.

5. Q: When are the Keystone Exams administered?

May, August and December/January of each year.

6. Q: May parents see the Keystone Exams?

Parents and guardians may review the Keystone Exams if they believe they may be in conflict with their religious beliefs by making arrangements with the School Test Coordinator. Confidentiality agreements must be signed, and no copies of the Keystone Exams or notes about exam questions will be permitted to leave the school.

7. Q: Can an individual student opt out of a Keystone Exam?

No. Due to federal and state regulations this will not be permitted for students. The only exception is, upon parent review of the exam the parent finds the test to be in conflict with their religious beliefs. If this is the case, the student must participate in the Project-Based Assessment (PBA) to fulfill their graduation requirement. Additional information on the PBA can be found below.

8. Q: If a student misses a Keystone Exam, will he or she be allowed to take the exam some other time?

The state identifies certain testing windows during which students may take the Keystone Exams. The student can take it in the next testing window.

9. Q: Can a student earn credit for a course by passing a Keystone Exam without taking the course?

The District has no plans to enable students to earn credit for a course by examination.

10. Q: What happens if a student is not proficient?

Students who do not achieve a score of proficient or advanced on the Keystone Exam score must receive remedial instruction and must retake the Keystone Exam until a passing Keystone Exam grade is achieved. After two unsuccessful attempts, students will be eligible to demonstrate proficiency through the completion of a Project-Based Assessment (PBA) that will be scored by a team of regional teachers. The PBA is an online learning and assessment module aligned to a specific Keystone Exam course.

11. Q: Will Council Rock offer remediation for students who do not pass a test?

Yes, Council Rock is required to provide remediation and students are required to successfully complete remediation before re-testing.

12. Q: Will there be testing accommodations for students with special needs?

As with the PSSA tests, students with special needs may take Keystone Exams with accommodations listed in a student Individualized Education Plan, subject to any limitations the state applies to a particular test.
