Literature After Feminism Literature After Feminism:

Literature after Feminism Rita Felski, 2020-05-16 Recent commentators have portrayed feminist critics as grim faced ideologues who are destroying the study of literature Feminists they claim reduce art to politics and are hostile to any form of aesthetic pleasure Literature after Feminism is the first work to comprehensively rebut such caricatures while also offering a clear eyed assessment of the relative merits of various feminist approaches to literature Spelling out her main arguments clearly and succinctly Rita Felski explains how feminism has changed the ways people read and think about literature She organizes her book around four key questions Do women and men read differently How have feminist critics imagined the female author What does plot have to do with gender And what do feminists have to say about the relationship between literary and political value Interweaving incisive commentary with literary examples Felski advocates a double critical vision that can do justice to the social and political meanings of literature without dismissing or scanting the aesthetic

Women's Voices and Feminism in Polish Cultural Memory Urszula Chowaniec, Ursula Phillips, 2013-02-22 Every time a so called woman s voice appears in the media in connection with any sphere of creative activity it finds itself confronted by the almost formulaic expression feminism today instantaneously suggesting that feminism is in fact a matter of the past and that if we want to return to this phenomenon then we need to explain ourselves Women s Voices and Feminism in Polish Cultural Memory seeks to elaborate the problem of generalization expressed by such formulas as feminism today while analysing how feminist sympathies have shaped Polish literature film and language This volume does not want to impose any hegemonic understanding of feminism or imply any a priori ideological assumptions about women s nature or role in society It seeks to identify what is particular to the Polish feminist experience It starts by asking such questions as what is feminism today or what can we learn from the history of Polish women s writing In answering these questions the women scholars who have contributed to the volume examine Polish cultural history and memory in the context of the transformations transitions and catastrophes of the last two centuries whilst firmly rooting Polish experience within the common European heritage

Literature and the Development of Feminist Theory Robin Truth Goodman, 2015-12-01 Literature and the Development of Feminist Theory offers an insightful look at the development of feminist theory through a literary lens Stressing the significance of feminism s origins in the European Enlightenment this book traces the literary careers of feminism s major thinkers in order to elucidate the connection of feminist theoretical production to literary work In addition to considering such well known authors as Mary Wollstonecraft Charlotte Perkins Gilman Simone de Beauvoir and Hélène Cixous this book also reflects on the lasting influence of postcolonialism liberalism and specific genres such as science fiction and modernist poetry Written by leading scholars and focusing on the literary trajectories of feminism s noted contributors Literature and the Development of Feminist Theory ultimately provides a new perspective on feminism s theoretical context bringing into view the effects of literary form on the growth of feminist thought

British Women

Writers and the Short Story, 1850-1930 K. Krueger, 2014-03-30 This book addresses a critically neglected genre used by women writers from Gaskell to Woolf to complicate Victorian and modernist notions of gender and social space Their innovative short stories ask Britons to reconsider where women could live how they could be identified and whether they could be contained

Gender, Sexuality and Reproduction in Evolutionary Narratives Venla Oikkonen, 2013-07-18 Since the early 1990s evolutionary psychology has produced widely popular visions of modern men and women as driven by their prehistoric genes In *Gender Sexuality and Reproduction in Evolutionary Narratives* Venla Oikkonen explores the rhetorical appeal of evolutionary psychology by viewing it as part of the Darwinian narrative tradition Refusing to start from the position of dismissing evolutionary psychology as reactionary or scientifically invalid the book examines evolutionary psychologists investments in such contested concepts as teleology and variation The book traces the emergence of evolutionary psychological narratives of gender sexuality and reproduction encompassing Charles Darwin s understanding of transformation and sexual difference Edward O Wilson s evolutionary mythology and the evolution creationism controversy Richard Dawkins molecular agency and new imaging technologies the connections between adultery infertility and homosexuality in adaptationist thought Through popular literary and scientific texts the book identifies both the imaginative potential and the structural weaknesses in evolutionary narratives opening them up for feminist and queer revision This book will be of interest to students and scholars of the humanities and social sciences particularly in gender studies cultural studies literature sexualities and science and technology studies

Bildungsroman and the Arab Novel Maria Elena Paniconi, 2022-09-30 Through a close reading of a corpus of novels featuring young protagonists in their path toward adulthood the book shows how Bildungsroman impacted the formation of the Egyptian narrative On a larger scale the book helps the reader to understand the key role played by the coming of age novel in the definition and perception of modern Arab subjectivity Exploring the role of Bildungsroman in shaping the canonical Egyptian novel the book discusses the case of *Zaynab* by Muhammad Husayn Haykal 1913 as an example of early Arab Bildungsnarrative It focuses on Latifa Zayyat s masterpiece *The Open Door* and the novels of the 90es Generation offering a gender based analysis of the Egyptian Bildungsroman It provides insightful readings about the function of the novel in women s re negotiation of social boundaries The study shows how the stories of youth present universal themes such as the thwarted quest for love the struggle for personal fulfilment the desire to achieve a cultural modernity often felt as other than self The book is a journey in the Twentieth Century Egyptian Novel seen through the lens of the transnational form of Bildungsroman It is a key resource to students and academics interested in Arabic literature comparative literature and cultural studies

Resourceful Reading Katherine Bode, Professor Robert Dixon, 2010-01-11 This collection provides the first comprehensive account of eResearch and the new empiricism as they are transforming the field of Australian literary studies in the twenty first century

Questioning Minds , 2009-10-15 Available for the first time in English the ten short stories by modern Korean women

collected here touch in one way or another on issues related to gender and kinship politics All of the protagonists are women who face personal crises or defining moments in their lives as gender marked beings in a Confucian patriarchal Korean society Their personal dreams and values have been compromised by gender expectations or their own illusions about female existence They are compelled to ask themselves Who am I Where am I going What are my choices Each story bears colorful and compelling testimony to the life of the heroine Some of the stories celebrate the central character's breakaway from the patriarchal order others expose sexual inequality and highlight the struggle for personal autonomy and dignity Still others reveal the abrupt awakening to mid life crises and the seasoned wisdom that comes with accepting the limits of old age The stories are arranged in chronological order from the earliest work by Korea's first modern woman writer in 1917 to stories that appeared in 1995 approximately one from each decade Most of the writers presented are recognized literary figures but some are lesser known voices The introduction presents a historical overview of traditions of modern Korean women's fiction situating the selected writers and their stories in the larger context of Korean literature Each story is accompanied by a biographical note on the author and a brief critical analysis A selected bibliography is provided for further reading and research Questioning Minds marks a departure from existing translations of Korean literature in terms of its objectives content and format As such it will contribute to the growth of Korean studies increasing the availability of material for teaching Korean literature in English and stimulate readership of its writers beyond the confines of the peninsula

A *History of Feminist Literary Criticism* Gill Plain, Susan Sellers, 2007-08-30 Feminism has transformed the academic study of literature fundamentally altering the canon of what is taught and setting new agendas for literary analysis In this authoritative history of feminist literary criticism leading scholars chart the development of the practice from the Middle Ages to the present The first section of the book explores protofeminist thought from the Middle Ages onwards and analyses the work of pioneers such as Wollstonecraft and Woolf The second section examines the rise of second wave feminism and maps its interventions across the twentieth century A final section examines the impact of postmodernism on feminist thought and practice This book offers a comprehensive guide to the history and development of feminist literary criticism and a lively reassessment of the main issues and authors in the field It is essential reading for all students and scholars of feminist writing and literary criticism

Understanding Children's Literature Peter Hunt, 2006-05-17 Edited by Peter Hunt a leading figure in the field this book introduces the study of children's literature addressing theoretical questions as well as the most relevant critical approaches to the discipline The fourteen chapters draw on insights from academic disciplines ranging from cultural and literary studies to education and psychology and include an essay on what writers for children think about their craft The result is a fascinating array of perspectives on key topics in children's literature as well as an introduction to such diverse concerns as literacy ideology stylistics feminism history culture and bibliotherapy An extensive general bibliography is complemented by lists of further reading for each chapter and a glossary defines critical and

technical terms making the book accessible for those coming to the field or to a particular approach for the first time In this second edition there are four entirely new chapters contributors have revisited and revised or rewritten seven of the chapters to reflect new thinking while the remaining three are classic essays widely acknowledged to be definitive Understanding Children's Literature will not only be an invaluable guide for students of literature or education but it will also inform and enrich the practice of teachers and librarians

A Multitude of Women Stefania Lucamante, 2008-09-15 *A Multitude of Women* looks at the ways in which both Italian literary tradition and external influences have assisted Italian women writers in rethinking the theoretical and aesthetic ties between author text and readership in the construction of the novel Stefania Lucamante discusses the valuable contributions that Italian women writers have made to the contemporary novel and illustrates the relevance of the novelistic examples set by their predecessors She addresses various discursive communities reading works by Di Lascia Ferrante Vinci and others with reference to intertextuality and the theories of Elsa Morante and Simone de Beauvoir This study identifies a positive deviation from literary and ideological orthodoxy a deviation that helps give meaning to the Italian novel and to transform the traditional notion of the canon in Italian literature Lucamante argues that this is partly due to the merits of women writers and their ability to eschew obsolete patterns in narrative while favouring forms that are more attuned to the ever changing needs of society She shows that contemporary novels by women authors mirror a shift from previous trends in which the need for female emancipation interfered with the actual literary and aesthetic significance of the novel *A Multitude of Women* offers a new epistemology of the novel and will appeal to those interested in women's writing readership Italian studies and literary studies in general

Feminist Literary Theory Mary Eagleton, 2010-12-20 Now in its third edition *Feminist Literary Theory* remains the most comprehensive single volume introduction to a vital and diverse field Fully revised and updated to reflect changes in the field over the last decade Includes extracts from all the major critics critical approaches and theoretical positions in contemporary feminist literary studies Features a new section Writing Global which covers feminism's dialogue with postcolonial global and spatial studies Revised chapter introductions provide readers with helpful contextual information while extensive notes offer recommendations for further reading

Frances Burney and Narrative Prior to Ideology Brian McCrea, 2013-09-26 *Frances Burney and Narrative Prior to Ideology* works between Burney's Journals and Letters and her fiction more thoroughly than any study of her in the past twenty five years By doing so it offers significant reinterpretations of Burney's four novels *Evelina* *Cecilia* *Camilla* and *The Wanderer*

Social Constructionist Identity Politics and Literary Studies S. Gupta, 2007-01-10 This study presents a critique of social constructionist identity politics which is distinguished from specific identity based political positions from within and with social constructionist commitments Gupta examines the institutionalization of social constructionist identity politics in literary studies considering the notions of canonicity

Subversive Silences Helene Carol Weldt-Basson, 2009 Weldt Basson Spanish Wayne State U investigates how seven Latin American women writers of the

twentieth and twenty first centuries have used the concept of submissive silence in their works as a sign of women s rebellion against the passive silence imposed by patriarchy Using different theoretical perspectives in each chapter she demonstrates how Marta Brunet Maria Luisa Bombal Rosario Castellanos Isabel Allende Rosario Ferre Laura Esquivel and Sandra Cisneros have used silence thematically and stylistically through hyperbole coding irony parody and cultural symbol and how silence reflects different time periods and countries *The Cambridge Companion to Women Composers* Matthew Head,Susan Wollenberg,2024-05-30 Exploring a diverse distinguished repertoire and transcending the rhetoric of neglect this book transforms understanding of women composers Why Higher Education Should Have a Leftist Bias D. Lazere,2013-12-11 Presenting a thoughtful justification for the left in American education Donald Lazere argues that to teach students rhetoric and critical thinking key components of a humanist education educators must discuss and teach students to grapple with the conservative bias in academia the media and politics that is considered to be the status quo **Women's Experience of Modernity, 1875-1945** Ann L. Ardis,Leslie W. Lewis,2003-05-22 A collection of essays on women s history and literary production at the turn of the twentieth century that centers the feminine phenomena Analyzing such cultural practices as selling and shopping political and social activism urban field work and rural labor radical discourses on feminine sexuality and literary and artistic experimentation this volume contributes to the rich vein of current feminist scholarship on the gender of modernism and challenges the assumption that modernism rose naturally or inevitably to the forefront of the cultural landscape at the turn of the twentieth century During this period women s experience was a rallying cry for feminists a unifying cause that allowed women to work together to effect social change and make claims for women s rights However it also proved to be a source of great divisiveness among women for claims about its universality quickly unraveled to reveal the classism racism and Eurocentrism of various feminist activities and organizations The essays in this volume examine both literary and non literary writings of Jane Addams Djuna Barnes Toru Dutt Radclyffe Hall H D Pauline Hopkins Emma Dunham Kelley Amy Levy Alice Meynell Bram Stoker Ida B Wells Rebecca West and others Instead of focusing exclusively or even centrally on modernism and literature these essays address a broad array of textual materials from political pamphlets to gynecology textbooks as they investigate women s responses to the rise of commodity capitalism middle class women s entrance into the labor force the welfare state s invasion of the working class home and the intensified eroticization of racial and class differences **Off the Page** Tom Lavazzi,2016-11-01 Off the Page offers a series of critical scripts exploring various cultural texts and a working definition of performative criticism grounded in poststructuralist literary cultural and performance theory *Unsettling the Bildungsroman* Stella Bolaki,2011 Unsettling the Bildungsroman combines genre and cultural theory and offers a cross ethnic comparative approach to the tradition of the female novel of development and the American coming of age narrative Examines the work of Jamaica Kincaid Sandra Cisneros Maxine Hong Kingston and Audre Lorde
