The Tiny Book of Big Manifesting Jeffrey Segal, 2025-09-12 Jeffrey Segal is an agent of change and a true alchemist. The Tiny Book of Big Manifesting is a must read for anyone who is looking to enhance their creative expression and bring in a powerful awareness into their life. Shaman Durek, bestselling author of *Spirit Hacking: You Can Make Your Dreams Come True*. Let this powerful little book guide you to the life you want to lead. You create every waking minute of every day in fact every second. Even more specifically with every word you utter you create. Once you realize and internalize this fact you will be on the path to fulfillment. The Tiny Book of Big Manifesting is for anyone looking to create the life they want. It provides easy to understand manifestation techniques along with a Code of Life by which to live. When the techniques and the Code are combined and put into practice, life-changing events can start to occur that will help turn dreams into reality. While many books have been written on how to manifest and create a better life, The Tiny Book of Big Manifesting differs because its author Jeffrey Segal brings forth new esoteric manifestation techniques and incorporates a set of values to live by that together catalyze the manifestation process in a way never before possible. Jeffrey put these methods and his Code into practice personally to create the life he truly wanted, moving from being a highly successful attorney to living his passion and serving others by founding Mystic Journey Bookstore and Mystic Journey Crystals.
