Unlikely Love Stories Mike McCardell, 2015-06-15. These are stories of the defender of a handicapped parking spot, a woman who has delivered homemade Valentine cards to neighbours for twenty years and love between a widower and a woman who had never been on a date before. They are the stories that never make front page headlines but that Mike with his keen eye for observation reveals to be just as meaningful and important. With a rare gift for bringing out the magic in everyday situations, Mike turns the spotlight on all the little seemingly insignificant things that make life fascinating. His touching stories resonate with simple truths about people and the world that we live in. Readers will laugh and cry as Mike's infectious positive outlook exposes how life is good no matter what you have.
