Chapter 2 The Tall Man Who Got Lost One very foggy evening a tall man was walking around and the mist was so thick that it looked like it covered the whole world in white This wanderer wasn t like most he was taller than all the small houses and trees that made up the hidden village of little people A tall one as the little people called him from the world outside their secret nook where the sky was big and the land was empty With his big steps and long legs the tall guy had pretty much stumbled upon the small people s secret town He was not only nearby but he was also totally lost and

didn't know how to find his way home. He was walking through the tall wild trees that surrounded the small town when all of a sudden fog came in and caught him off guard. The trees were usually friendly and easy to spot but now they looked like huge shadows that were scary and bent in strange ways. He felt like he was the only person in a huge never-ending cloud of mist. Paths that were visible during the day were now hidden. He yelled hoping someone would answer but the fog made it impossible for him to speak. Even though he was a big guy, he felt small at that moment, which is something that smaller people bravely deal with every day. Instead of being excited about a trip, his heart was racing with worry. He only wanted the comfort of home even though he had always been an explorer eager to find new ways to do things and share stories. He had been able to walk on these feet before but now they seemed shaky with each step they shook as if they were wondering, "Which way do we go?" As the evening went on, the tall man's situation got worse. It was hard to tell the difference between the sky and the ground because of the thick steady fog. It looked like all directions were equal. He had no sun or stars to help him find his way. He had never been so lost before. He wasn't only lost but he also felt cut off from everything he knew and held dear, including his family and friends. To see through the fog, he lit a small lamp that was in his pocket. But it looked like the light was hidden by the fog so it didn't offer much comfort or direction. He thought about his home, the people he loved, the safety of his bed and the fire in the fireplace. He thought about them wondering where he was and was getting more worried by the minute. These thoughts didn't make him feel better; instead, they made him realize how far away he was from his own home. Even though he was getting more and more down, the tall guy kept going. He chose to keep moving because he thought he would eventually find his way. He told himself words of hope and encouragement with each step, pleading with the world to lead him back to a place he knew. He thought back to stories he had read about travelers who got through the hardest terrain by following the smallest clues and wonders. People who got lost in those stories always found their way back because they believed in the strange and impossible.

Fingerprints Of Jesus Jennifer Cheshire, 2024-05-15. Fingerprints of Jesus is a journey through a woman's life who knew the pain of abuse and great loss at a very young age. As a small child, fear gripped most of her days. However, in the midst of the darkness was her precious grandmother who was her only light. Her grandmother's love, memories and teachings live in the quiet safe places in her mind and heart. The constant struggle with anxiety, fear and worthlessness paved the way for difficulties to come. The damaging scars carried into teen and adulthood for this woman are shown in vivid color. Through

the winding pathways of life stumbling over mistakes and disappointments she finds true hope When all seemed lost and the bottom couldn't be any further down somehow there's hope This hope is only found in Jesus Christ Could the prayers her sweet widowed grandmother prayed over her live on in heaven forever Come and see how Jesus intervenes in the life of brokenness she has found herself Still carrying the scars from a painful childhood she's desperately trying to be a good wife and mother With certain failure and the pain of a broken marriage gripping her soul God has other plans See how God can transform lives and change the entire trajectory of her family Through every twist and turn see God's perfect timing working for the good of all Watch the bonds of unforgiveness break as the love of Jesus is felt in the heart and soul of this woman Though the walk was not easy she could face the morning because Jesus was by her side Step by step see how the beautiful truths told in the Bible come to life in the lives of this family As you read you too will see the fingerprints of Jesus

Story about Lara Nada Kljajić,2023-03-24 This manuscript of the novel that came into my hands under the title Story about Lara could surely be named Story about people or About love and people or When you are born like a dog and I deeply believe that every title of these could fit well because every one of them draws one dimension of observation and significant content in this novel For a long time we do not have similar novels on the shelves of public and home libraries Children all around Serbia should be reminded what was that home pet and we should return that piece of childhood to them that piece that we took from them without any question in indifference In that sense this novel was very significant and we should treat him like that When we look from a deep psychological sense we can say that this novel is very significant because it develops empathy for their environment
