Hide and Seek with The Damned Drac Von Stoller, 2024-05-17 It was a warm summer night when five teenagers Mike Samantha Tyler Jenna and Chris decided to test their bravery and

explore the infamous Henderson farm on the outskirts of town Locals had long whispered tales of the abandoned property being haunted by evil spirits I heard there was a witch who lived there back in the 1800s Samantha said as they parked on the side of the dusty road She would lure children to the farm and do unspeakable things to them That s just a story to scare kids Mike scoffed There s no such thing as witches The group made their way through the rusted gate and up the winding path to the decrepit farmhouse Shingles were falling off the roof and most of the windows were shattered An eerie silence hung in the night air Hello Tyler called out Anybody home A faint giggle made them all jump It sounded like it came from somewhere inside the house Chris shakily pulled out his flashlight and shone it through one of the broken windows Did you guys see that he asked voice trembling In the beam of the light they saw a young girl in a tattered dress standing in the hallway Her pale face was gaunt and her eyes seemed not quite human *Nathan's Secret* R.A. Rios,2017-05-22 2019

Revision Nathans Secret is just what you have been waiting for Excitement at it s very best so hold on to your seats and let your imaginations go wild as this is a ride you will not want to miss Nathan is a whole new kind of super hero The Religious Herald ,1921 **Rurality and Education** Barbara Pini,Robyn Mayes,Laura Rodriguez Castro,2020-04-30 This book broadens the scope of the subject of rural education and enlivens the ways in which the subject may be studied Through textual and visual analysis of a range of sources including young adult novels the farming simulation game Hay Day and reality television programs the contributors investigate how the lives of young people in rural spaces are mediated by a range of social locations including class ethnicity and sexuality Additionally through rich and detailed ethnographic work the book explores the complicated and multifaceted meanings of rural places and examines how these meanings shape experiences of schooling for teachers and students In doing so the book embeds the study of rural education in explorations of patrilineal inheritance on family farms international migration globalisation and economic restructuring It aims to start a conversation about the robust and complex ways in which the confluence between rural and education may be imagined experienced and researched This book was originally published as a special issue of Discourse Studies in the Cultural Politics of Education
