*The Little Book of Shanking* Ian Hardie, 2015-11-30 Got the shanks Hiding away from the word and the entire subject simply isn't going to sort the problem out for you because as soon as you have had a single one of them on the golf course there is always that little question mark in your head as to when they will return isn't there Tinkering with your golf swing or the myriad of other things that golfers misguidedly think causes this problem isn't going to help much either as this problem is not simply a mechanical one therefore it's solution needs to be a combination of different things Now I know what you are thinking Surely no one else could possibly be going through the same things that I am with this problem Well somehow I don't think you are alone in dealing with this golfing problem Want some proof I have a website called golfhabits.com which has been going for a few years now It has hundreds of articles on it that are aimed at helping golfers to play better golf but only three that's right three were about the subject of this book At the time of writing that made up 0.6% of the articles on the website but the golfers searching for the answers to this problem accounted for just over

9 3% of the entire website s traffic So I decided to put this book together to be able to help golfers around the world to solve this problem properly and quickly without having to spend hundreds of dollars on golf lessons And yes that can happen as you will soon discover in *The Little Book of Shanking* **Popular Mechanics** ,1964-04 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *The AOPA Pilot* ,2000 **The New York Times Book Review** ,1964 **American Book Publishing Record** R.R. Bowker Company,1978 Improve Your Golf Game Loera Publishing LLC,2019-06-06 Buy the Paperback version of this book get the Kindle eBook version included for FREE You are only as good as your swing Practice makes perfect Frustrated golfer syndrome Golf can be an emotional rollercoaster lying awake at 3AM wondering the woulda coulda shoulda of the day s game Golfers who hit a bad shot feel helpless We had an intention but failed to execute it The mental picture we had of our swing and its glorious outcome shatters at impact We don t really know what happened But because it s mysterious we can t correct it and we can t be sure it won t happen again The extreme example of this is the dreaded shank a rogue hit off the hosel of the club that squirts away from the golfer dead right It s embarrassing The problem is that once you shank you begin to imagine that another shank is hovering right there just waiting til the very right moment to appear and mortify you in front of your friends A dear colleague of mine has had nightmares about hitting a shank for years To add salt to the wound the feeling of sheer frustration isn t limited to extreme mishits like the shank it is also there when our mind picture turns into the exact opposite when we hit the ball Then the next week we think what exactly happened where was I standing what did I do All of the woulda coulda shoulda thoughts and self observations may be correct but by the time we go out to the course again we have forgotten the minute details The fact then remains that we usually don t know why we hit a bad shot that afternoon You may have one of those handy little putting machines you putt like a fiend in your home office or maybe in your office at work Monday is the worst day of the week for you as the weekend s game haunts you throughout the day in meetings too which is a nightmare in itself You ve bought the best clubs Your putter well let s just say you had it delivered to the office so your spouse wouldn t see the price tag yes I know you well Golf balls Dozens of boxes of em sit in your desk drawer The 3 piece urethane that matches the Tour standard golf ball in every way The 2 piece urethane slightly harder ball suitable for the intermediate player Then there are the 3 piece soft ionomer color ball that blow your mind with the performance and eye catching look You own them all The fact is my friend all the cool golf stuff in the world won t help until you help you it really is simple drill down and see the who what where in the game This performance stats workbook it isn t really pretty It is designed to help you evaluate what you did right wrong and outstanding It definitely isn t for the weak of heart either It is a robust workbook we added some graphics to try to soften the blow but this is a workbook to seriously evaluate yourself and your golf game This isn t a mamby pamby hold your hand workbook Made 8 x 10 is size it is made for

you to sit down and seriously lay out the day's game facts. It won't fit in your pocket; it is hefty 200 pages. No fluff. No sunshine rainbows content. Instead, you'll be filling in details of yardage, tournaments, taking a cold, hard look at your game and seeing what you did wrong, what you did right. Excellent tool for the golfer who wants to look back and evaluate his or her improvement. Loera Publishing LLC was founded by Diana Loera, a Midwest farmer's daughter. **Happen to Bad Golfers** Gary Perkinson, T. J. Tomasi, 2008-08-08. Whether you're new to the game but don't want to advertise it, or a good golfer who's having a bad round, this book helps you solve your golf problems right on the course before your next shot. The book shows you the Five Faces of the Perfect Club, a concept that helps you hit the ball out of any lie from anywhere on the course, even if you don't have a world-class swing. You'll also find 150 practical solutions to common problems that will help you shave shots, save face, and enjoy the game.      **The Golfer's Little Book of Wisdom** Sean

Doolin, 1997. Easy, concise, and simple methods to help any golfer get that little white ball in the hole without using higher math to figure out the score when the game's over. Included are hints and tips for both the novice and the seasoned veteran.

*Golf Do's and Dont's* Stancliffe Stancliffe, 2016-10-04. Excerpt from *Golf Do's and Dont's: Being a Very Little About a Good Deal Together With Some New Saws for Old Wood and Knots in the Golfer's Line Which May Help a Good Memory for Forgetting*. Many books of instructions have been written by the ablest golfers, giving particulars of each shot and how it should be played. If the tyro on reading these excellent books were to jot down just the gist of the instruction, given much useful information could be gathered into a nutshell for a reference. But as a rule, this instruction is mixed up with a mass of detail and may possibly be overlooked in a general perusal of the book.
