Keepers of the Bond Iii (Drei) Kenneth Brown, 2011-08-24 Set deep in the wilds of Texas is Caddo Lake a rich primeval swampland populated by characters straight out of modern mythology Central to this areas history is Judge Newland and his extended circle of friends and kina k a the BOND Here their story is told in a vivid often convoluted fashion as is befitting the true nature of the Texas wilderness Judge Daddy Newland knew and was known by everyone in this part of Texas and his teachings were legendary He urged his friends to seek truth and to ask for wisdom from God He expected them to ask tough questions He demanded that they keep their eyes against the seductive nature of evil and hate and that they look out for one another He believed that nature was the only true beauty in the world and that it should always remain free He knew that love was the most important of all emotions followed only by hope and that the two could never be separated He directed his friends to look to the ancient world for truth and inspiration And from those ancients he formulated a deep appreciation for the pleasures of the flesh Daddy Newland directed his grandson Kenneth Brown to use his skills to share the teachings of his generation Just as he was promised those life lessons are within ready to teach the next generation of Texans and beyond Fate brings interesting people together and then blesses the responsible he used to say and thats the core of his legacy
