LITTLE RIVERS: A BOOK OF ESSAYS IN PROFITABLE IDLENESS Henry Vandyke, 1906 Little Rivers Henry Van Dyke, 2024-11-24 There s no music like a little river s It plays the same tune and that s the favourite over and over again and yet does not weary of it like men fiddlers It takes the mind out of doors and though we should be grateful for good houses there is after all no house like God s out of doors And lastly sir it quiets a man down like saying his prayers Robert Louis Stevenson Prince Otto A river is the most human and companionable of all inanimate things It has a life a character a voice of its own and is as full of good fellowship as a sugar maple is of sap It can talk in various tones loud or low and of many subjects grave and gay Under favourable circumstances it will even make a shift to sing not in a fashion that can be reduced to notes and set down in black and white on a sheet of paper but in a vague refreshing manner and to a wandering air that goes Over the hills and far away For real company and friendship there is nothing outside of the animal kingdom that is comparable to a river I will admit that a very good case can be made out in favour of some other objects of natural affection For example a fair apology has been offered by those ambitious persons who have fallen in love with the sea But after all that

is a formless and disquieting passion It lacks solid comfort and mutual confidence The sea is too big for loving and too uncertain It will not fit into our thoughts It has no personality because it has so many It is a salt abstraction You might as well think of loving a glittering generality like the American woman One would be more to the purpose Mountains are more satisfying because they are more individual It is possible to feel a very strong attachment for a certain range whose outline has grown familiar to our eyes or a clear peak that has looked down day after day upon our joys and sorrows moderating our passions with its calm aspect We come back from our travels and the sight of such a well known mountain is like meeting an old friend unchanged But it is a one sided affection The mountain is voiceless and imperturbable and its very loftiness and serenity sometimes make us the more lonely The National Union Catalog, Pre-1956 Imprints ,1979 **Class List** Bangor Public Library (Bangor, Me.),1907 **Sale Catalogues** American Art Association, Anderson Galleries (Firm),inc American art association Aderson galleries,1925 New Outlook ,1895 *The Outlook* Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1895 Outlook Alfred Emanuel Smith,Francis Walton,1895 **The Outlook** ,1895
