Protection, Management, and Restoration for the 1990's, 1990 **Valley of Dry Bones Live Again, Rebuilding the Walls of Your Torn Down Life** Dr. Sylvia Black, PhD, 2020-08-22 There may have come a time in your life when you feel like you have lost your zest for life Because of all the hell and high water that you ve been through it may seem as if you have lost your joy your peace you desire to go on It s very easy to fall apart because of all you have been through But today is a new day Take encouragement also from the vision of the valley of dry bones Jerusalem was totally annihilated and there was nothing left but dead bodies all over the city The city was destroyed and everybody in it was killed Now there was desolation hopelessness Materially it looked impossible to rebuild everything and everyone was destroyed But if you know God like I have gotten to know Him then you know God can do anything but fail God works best in situations where the human hand cannot He is with you in every battle I fight He uses trials and tribulations in situations and circumstances to bring about triumph and victory in the life of the believer God Gives Us A Spirit Of Strength And Power Through faith in Christ we are given a spirit of power love and discipline and for that reason we have nothing to fear We can hold onto his promises and be confident that he ll see us through even the darkest of days You will be countlessly blessed You will be prodigious in your wealth You will be boundless an unlimited in your health and any other areas that are dry in your life Don t give up on God and He won t give up on you *Upper Klamath Basin(and Wood River Wetland) Resource(s) Management Plan (RMP), Klamath Falls Resource Area*, 1994 *Environmental Restoration, Sand Creek Watershed, Saunders County*, 2000
