

LIVERY YARD AGREEMENT

The British Horse Society, sponsored by SEIB, Intervet and Merial Animal Health and supported by BEVA, the ILPH, the RSPCA and SSPCA emphasises the importance of a written agreement being made between the Livery Yard Proprietor and the Owner or the agent of the Horse, defining the conditions of livery.

RESPONSIBILITIES & AGREEMENTS

Financial arrangements, types of care, facilities offered and conditions will vary between Livery Yards and should, therefore, be clearly defined. Preferably, such agreements should be made in **WRITING**, before the horse concerned is placed at the Livery Yard. The agreement should state the **NAME** of the person responsible for supervision of the horse and for provision of feed and water, and the action to be taken in the event of illness or injury to the horse. The Proprietor of the Livery Yard should state the provisions made for the safety and security of the Horses, the supply of feed and bedding, and routine measures for vaccinations and control of parasites. It is advisable that all parties have adequate insurance - for Livery Yard Registration purposes, the Proprietor must hold at least **THIRD PARTY LIABILITY INSURANCE**. All Full members of the British Horse Society benefit from **FREE** Personal Accident and Third Party (legal) Public Liability Insurance. In all types of Livery, the ultimate responsibility for the welfare of the horse whilst in his charge, temporarily or otherwise, shall rest with the Proprietor of the Livery Yard. Any disputes that may arise between a Livery Yard proprietor and the horse Owner/agent must not be permitted to interfere with the minimum standards of accommodation, supervision, nutrition and general welfare of the horse.
