Living in the Wake of Addiction Gloria Englund, 2015-10-01 Books in Print Supplement ,2002 *Fearless Living and Loving* John A. Love, 2014-09-08 Fearless Living and Loving guides readers through a journey of self discovery Its uplifting stories offer a new way to perceive the world and its timeless lessons empower Christians to make positive life changing choices As we endure hardships questions arise Has God given up on me How can I gain more courage and strength How can I find lasting inner peace Fearless Living and Loving explores these concerns as it presents the transforming ministry of Christ in a way that everyone can understand Jesus affirmed that as our love grows we are better equipped to overcome adversity And as our faith grows we are able to let go of worry and doubt In times of sickness or decline people want to feel safe and loved In times of pain or distress people seek to learn more about life s meaning and purpose And in times of loss or sadness people strive to maintain hope These existential truths are found in every part of the world Yet by inviting God s love into our hearts we can be ready for life s biggest challenges And by embracing the Light of Christ we can live and love without fear Praise for Fearless Living and Loving Heart warming healing and inspirational I look at my life in a completely different way Melinda Crowley licensed caregiver I ve found my center again A real gem JoAnne Dole registered nurse Uplifting lessons which help us find peace in every moment Dr Susan Berner physician Comfort at a time when my life was turned upside down Mary Newman massage therapist Insightful and thought provoking A powerful presentation of Christ s teachings Rev Julie Keene pastor Complex issues explained so that everyone can grasp them A great gift Tomek Ossoski transitional care administrator **My Daddy's Promise** Carl W Kenney, 2020-06-29 One night Carl W Kenney II received a phone call that forced a decision A neighbor found his father naked and unconscious on the bathroom floor If not for the neighbor dropping by to check on his daddy he would have died It was not the first time It was difficult for his daddy to manage life alone This time was different It was time to make a decision to become his father s caregiver My Daddy s Promises Lessons Learned Through Caregiving is the story of Carl s experience as his father s caregiver It begins with a decision On that night Carl agonized as tears baptized his soul in preparation for a new type of ministry Going home was complicated by memories of what he left to discover comfort in Durham North Carolina Home conjured thoughts of submission to white supremacy Home made it harder to climb from under a pile of limitation some perceived some self inflicted some real to fulfill his dreams The thought of caregiving involved more than taking care of his daddy It was a journey to face his fears Carl was not prepared to address the challenges he faced when he returned home to become his father s caregiver He felt failure when his daddy s health declined He felt anger when other family members did little to help carry the load Mingled with the good days were days consumed with sadness disgust regret fear and stress Making the decision to go home was the hardest decision he ever made It was also the best decision he ever made It is a truth shared by caregivers the best and the worst in the decision There are lessons in caregiving Some you learn in the moment Others come

after it all ends There are lessons regarding the life with others There are lessons about living with decisions and failures These lessons challenge us to move beyond assumptions regarding what it means to live with massive confusion Where is God in all of this How much more can I take My Daddy s Promise Lessons Learned in Caregiving is a journey to discover meaning when everything begins to fade It is a moving mixture of theology self care and memoir revealing the experience of a black man s love for his father Carl helps us understand caregiving with deeper clarity from the point of view of a minister bold enough to ask where is God in this Carl wants us to understand that caregiving is not only about loss it is also a celebration of lessons learned and promises kept **Thrive Anyway** Bruce McIntyre,2016-11-16 You are living with two parallel realities two parallel truths Part of your experience in caregiving and living with a difficult condition is frustrating maddening depressing and difficult But this is not the only reality At the same time you may also experience beauty love peace kindness and courage Easily you will notice the more challenging aspects of your life But lean in to find the beauty as well As you do I hope you will join me in the valiant attempt to live with resilience And thrive anyway *Courage for Caregivers* Marjorie Thompson,2018 Used alongside *Courage for Caregivers* Sustenance for the Journey in Company with Henri J M Nouwen this inspirational workbook gathers caregivers to a day away to renew the energies and callings of caregiving and reflect on the belovedness they share with the people they care for With wisdom from Henri Nouwen *Courage for Caregivers A Retreat Participant Workbook* invites caregivers to share their stories and the workbook invites reflection on the gifts of caregiving that bring restoration for the season that lies ahead At the end of the day participants take home a workbook to continue journaling the ongoing story into the heart of God and celebrating the love that binds us to one another
