Built of Living Stones United States Conference of Catholic Bishops, 2005-03-01. In November 2000, Built of Living Stones: Art, Architecture, and Worship (BLS) was published from the United States Catholic Bishops. This document is designed to guide religious communities, parish teams, and other Catholic institutions in the renovation or building of new churches, chapels, and oratories. The document reflects the Church's understanding of the liturgy, the role and importance of church art and architecture, and of the integral roles of the local parish and the diocese that enter into a building or renovation project. BLS 9. This important document also contains many of the provisions of universal law governing liturgical art and architecture and offers pastoral suggestions and guidelines that can serve as the basis for diocesan bishops to issue further guidelines and directives for their dioceses. BLS 10. With its theological reflections on art and liturgy and its establishment of liturgical norms, it is an essential document for architects, liturgical consultants, and artists, contractors, and other professionals who are responsible for the design and construction of worship spaces. Published by United States Conference of Catholic Bishops.
