time confusion Come learn the difference between a Millennium and a Millipede with Dr David Reagan **God's Plan for the Ages, 2nd Edition** David Reagan,2020-08-02 What is the destiny of planet earth What is going to be the fate of mankind We don t have to guess The Bible spells out God s plan for the ages in great detail through prophecies given thousands of years ago In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times In the process he reveals God s plan for the redemption of mankind and the restoration of the creation The book is written in a down to earth easy to understand style Although all the chapters relate to the overall theme each chapter is designed to stand alone This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics appeal to you **The Rapture: Fact or Fiction?** David Reagan,2019-04-08 This book answers the most frequently asked questions about the Rapture Where can the Rapture be found in the Bible What is the meaning of the Rapture When is the Rapture most likely to take place Who will be included in the Rapture Are there signs that will signal the Rapture Does the Rapture have relevance to our lives now The answers to these and other questions are provided in language that is down to earth and easy to understand The book also provides responses to all the major objections that have been made to the concept of the Rapture **The Basics of Bible Prophecy** David Reagan,Darryl Nunnelley,2020-07-22 Bible prophecy can be a playground for fanatics or it can be green pastures for disciples In this book the authors show how prophecy can motivate people to holiness inspire them to evangelism and provide them with hope In the process they supply answers to many intriguing questions about prophecy like the following How should Bible prophecy be interpreted symbolically or literally Why are there so many end time viewpoints and what are they Have all Old Testament prophecies been fulfilled How does Bible prophecy confirm the Bible as the Word of God and Jesus as God in the flesh What happens after death Will Heaven be an ethereal spiritual existence or will it be a tangible one in new perfected bodies on a new earth What are the signs of the times and do they indicate that we are living in the season of the Lord s return Is the Rapture of the Church a biblical concept and if so when is it most likely to happen Is Jesus going to return to this earth to reign for a thousand years or is His reign going on now from Heaven Why does end time prophecy focus on the Jewish people and the nation of Israel What is the most likely sequence of end time events The 24 lessons in this book are presented in a down to earth easy to understand language and every point is substantiated with Scripture references The book is designed for both individual and group study **Wrath and Glory, 3rd Edition** David Reagan,2021-05-14 Many Christians are very intimidated by the book of Revelation They are convinced that it contains nothing but bad news They are even further daunted by the great variety of bizarre interpretations of the book In this book Dr David Reagan explains that Revelation contains only good news for those who have received Jesus as their Lord and Savior Dr Reagan proves that any Christian can understand the book of Revelation if they are willing to accept its plain sense meaning As the Lord begins to open your understanding you will be thrilled by the promises of God that it contains for

believers You will find yourself earnestly yearning for the Lord's soon return as never before This book is written for all denominations and ages It dispels the myths about Revelation showing that the messages of Revelation are desperately needed by the 21st Century Church which is apostasized from within and persecuted from without **America's Suicide** David Reagan, 2022-02-06 Does America have any hope or is its fate sealed America is in a free fall without a parachute Dr David Reagan asserts the brutal fact that our nation has turned its back on the One who has blessed us so abundantly He contends that our fundamental problem is not Systemic Racism Rather it is Systemic Godlessness We are a nation that has forgotten God The consequences are apostate churches and a society consumed with immorality and violence America's Suicide shares from the Scriptures how God deals with a nation He has blessed that turns against Him America has crossed the point of no return and is thus on a path to self destruction The book concludes by talking about the hope that remains for both believers and unbelievers It is a sobering and challenging book that points to Jesus and not politicians as our only hope

and force iii Then he wonders if God intentionally used the same material to speak to an audience then and now When this method is applied to Revelation 13 the text does come alive Deep theological truths and nuggets extracted are way too many to recount in a single book In fact this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ Some of our leading scholars agree It is well written well laid out and has good solid biblical insights Good solid evidence for Revelation's high Christology Dr Kayle de Waal Avondale College Australia I found it thoughtful helpful and interesting to read The style of presentation is also very attractive Professor Jon Paulien Loma Linda University USA You have clearly shown the relationship between Revelation 13 with the rest of Revelation Dr Ross Cole Avondale College Australia The method used its interpretations and the theological insights are corroborated by other Johannine books the New Testament the Old Testament and the Spirit of Prophecy This volume will enhance the libraries of academics and laypeople alike
