Living Beyond Yourself Paul Hillman, 2021-02-17 The focus of this book *Living Beyond Yourself* is a self-motivated book as it relates to Self Esteem and Self Motivation It's a book that let the readers discover a new look about themselves different from how the World sees them Many people put their pictures on Facebook Whatsapp Twitter Instagram etc because they are looking for comments and likes while some refused to show their pictures because they think less of themselves However it's not about what people think or the many likes It's about what the person think of himself or herself Imagine someone received one thousand likes yet the person refused to love himself What difference would he made This book was written with the tools and for you to see yourself for who you really are A book about self confidence self control and to take your mind to another level of thinking It is to remind you that you were fearfully wonderfully and perfectly created This means there's no mistake about the person you really are The world's imagination is for you to see yourself different It's the World desire to label you and to price you then change your value However *Living Beyond Yourself* is to live beyond how the World sees you Because you were perfectly created no one can have your shape or your finger print No one can have your D N A The reason so is you are different This also means you are different to make a difference You might cause a problem to some people If they cannot solve you surely you will be their problem solver You were born to be their problem solver There's a different you in the person that you are You have the power from within to discover the new you After reading this book you will begin to have a new look from the inside out This is my sixth book and a Must Read

Living Beyond Limitations Everyday Kennedy King Odimba, 2020-07-20 Where are you in the journey of life today Have you given up on your childhood dreams Are you in the middle of a crossroads or even

Giamba,2016-12-22 Have you ever heard someone say I can be a perfectionist or I can be critical or I have a bad temper Have you ever considered which sins were in the tomb with Jesus before he was resurrected on the third day I am sure that many have not considered it In *Living Beyond the Grave* Bruno R. Giamba examines how perfectionism critical vengeful spirit and anger are more than simply a personality trait or something that has been adopted by a family context As we examine systematic theology we discover that Jesus was the curse for the law Gal 3 13 Salvation cannot be attained by keeping a perfect law but only through trusting in the person and work of Christ An overwhelming majority of Christians are still attempting to please God by keeping a record They strive to be perfect Perfectionism is in the grave Is there no condemnation to those who are in Christ Jesus Rom 8 1 Then why are Christians more likely to condemn others rather than pray for others Did Jesus not take on the cup of wrath for mankind Matt 26 39 Yet why are more Christians living in anger Is it possible that most Christians excuse their sin by blaming a personality trait or a past family context We must not allow this Its time for all Christians to take the responsibility that we are living in the grave and need to live beyond the grave I believe there is great hope for the body of Christ when individuals take their sin to the feet of Jesus and begin to believe that Christ can set them free As freedom reigns Christians will live beyond the grave
