DR3AM Ashley Guillard, 2017-09-18 **A Biblical Perspective on Life's Purpose in the Age of Postmodernism**
David Kondru, 2020-12-22 The purpose of the book is to revitalize the essentials of Christian living in a way God wants us to be especially when the bible based moral values and the absolute truths to establish the meaning of life were degraded and whitewashed in this postmodern world At this juncture it is a definite need to search for hidden and forgotten Judeo Christian values that define the meaning of human life and its worth in the eyes of the Living God Its sole purpose is to know Who God is and His standard of living when this world is influenced and reshaped by cultural darkness revolutions and counter revolutions that are antithetical to the bible **Treatise on the Heathen Superstitions that Today Live Among the Indians Native to this New Spain, 1629** Hernando Ruiz de Alarcón, 1984 The Treatise of Hernando Ruiz de Alarcón is one of the most important surviving documents of early colonial Mexico It was written in 1629 as an aid to Roman Catholic churchmen in their efforts to root out the vestiges of pre Columbian Aztec religious beliefs and practices For the student of Aztec religion and culture is a valuable source of information Hernando Ruiz de Alarcón was born in Taxco Guerrero Mexico in the latter part of the sixteenth century He attended the University of Mexico and later took holy orders Sometime after he was assigned to the parish of Atenango he began writing the Treatise for his fellow priests and church superiors to use as a guide in suppressing native heresy With great care and attention to detail Ruiz de Alarcón collected and recorded Aztec religious practices and incantations that had survived a century of Spanish domination sometimes in his zeal extracting information from his informants through force and guile He wrote down the incantations in Nahuatl and translated them into Spanish for his readers He recorded rites for such everyday activities as woodcutting traveling hunting fishing farming harvesting fortune telling lovemaking and the curing of many diseases from toothache to scorpion stings Although Ruiz de Alarcón was scornful of native medical practices we know now that in many aspects of medicine the Aztec curers were far ahead of their European counterparts The Life Of The Dead Eddie B. Jackson, 2011-02 The style and layout of this book greatly enhance one's ability to grasp the real truth the author seeks to bring to the reader's attention This book will likely turn out to be the most consoling and uplifting for the bereaved that has ever been published Plainly and undeniably this

book shows that no one goes to heaven or hell ahead of others Anyone who believes the whole counsel of the Bible will also accept this work It is literally Bible centered It points to passages of Scripture that reveal the whole truth about the status of the dead The author actually shows that God has designed the human being so as to experience not one moment between death and resurrection The author does not build any points upon philosophical reasoning or deduction but he shows that no one remains dead longer than another due to moving from time to eternity Almost anyone will lose all fear of death and the degree of dread and grief will also be lessened significantly as a result of reading this book It covers not just life after death but also explains why natural death is necessary The book covers this in such a manner that reveals the necessity One gets to see that physical death is the greatest grace God has bestowed upon fallen man saved the shed blood of Christ Jesus One shall plainly understand why God allowed man to be tempted by Satan in the first place This book is among the most compact yet simple and short in word count one will likely encounter It contains a chapter designed to console the bereaved who may not be in a position to read the whole book at that moment *Littell's Living Age* ,1871 An Examination into and an Elucidation of the Great Principle of the Mediation and Atonement of our Lord and Savior Jesus Christ John

God Desire Relationship and Fellowship with Mankind Donbok Syiemlieh, 2023-06-06 This Book unveils many unanswered questions in our life such as Why do people die when God had created them to live forever on this earth We never teach children to do bad things but why are they naturally inclined towards displaying bad behavior as they grow up These are a few of the outcomes of the inherited SINFUL NATURE within every human being born into this world Why is the ritual of animal sacrifice practiced in all religions except Christianity This is because when sin entered into the world it entered through the blood of mankind This means the blood is the seat of life no blood no life As this sinful nature passes down from generation to generation through the blood of the father every human being therefore inherits this disease of sinful nature So the only HOPE to be delivered forever from this sinful nature is by simply believing in the cleansing power of the sinless blood of Jesus Christ who sacrificed Himself on the Cross about 2000 years ago and also by maintaining an intimate relationship and fellowship with God under the guidance of the Holy Spirit
