Livy History Of Rome Volume Iii S 5 7 Loeb Classical Library No 17:

Piranesi Unbound Carolyn Yerkes, Heather Hyde Minor, 2020-09 Layers by Heather Hyde Minor Lost and found by Carolyn Yerkes Pages by Carolyn Yerkes Dedicated and sent by Heather Hyde Minor Bound by Heather Hyde Minor Sold by Carolyn Yerkes **Planning for Protraction** Iskander Rehman, 2023-11-09 As Sino US relations have deteriorated concerns have grown in Washington over its ability to defeat China in a major conflict A conflict between such peer competitors would likely become a protracted war of attrition drawing on all dimensions of national power but this reality has yet to receive a sufficient degree of analytical attention In this Adelphi book Iskander Rehman provides a historically informed and empirically grounded study of protracted great power war its core drivers and characteristics and an examination of the elements that have most often determined a competitor's long term strategic performance Final victory in a protracted conflict this book argues rests on a combination of three core factors a state's military effectiveness and adaptability its socio economic power and resiliency and the soundness of its alliance management and grand strategy A detailed analysis of the contemporary Sino US rivalry assesses how both parties might fare in the event of a protracted war while highlighting some of its key differentiating aspects most notably its nuclear and cyber dimensions **Thornton**

Wilder, Classical Reception, and American Literature Stephen J. Rojcewicz, Jr., 2021-11-25 This book delineates how Thornton Wilder 1897 1975 a learned playwright and novelist embeds himself within the classical tradition integrating Greek and Roman motifs with a wide range of sources to produce heart breaking masterpieces such as *Our Town* and comedy sensations such as *Dolly Levi* Through this study of archival sources and close reading readers will understand Wilder's avant garde staging and innovative time sequences not as a break with the past but as a response to the classics The author traces the genesis of unforgettable characters like Dolly Levi in *The Matchmaker* Emily Webb in *Our Town* and George Antrobus in *The Skin of Our Teeth* Vergil's expression Here are the tears of the world and human matters touch the heart haunts Wilder's oeuvre Understanding Vergil's phrase as tears for the beauty of the world Wilder utilizes scenes depicting the beauty of the world and the sorrow when individuals recognize this too late Wilder exhorts us to observe lovingly alert to the wonder of the everyday This work will appeal to actors and directors professors and students in classics and in American literature those fascinated by modern drama and performance studies and non specialists theatre goers and readers in the general public

Beyond Origins Angélica Maria Bernal, Angélica Reyna Bernal, 2017 *Beyond Origins* challenges the common view of foundings as singular extraordinary moments of political origin and creation Engaging with cases of founding across political traditions from classical Greece to contemporary Latin America the book argues that it is only through pragmatist understandings of democratic origins that we can realize the potential for radical democratic change *Beyond Origins* Angélica Maria Bernal, 2017-06-30 The foundings of constitutional democracies are commonly traced to singular moments In turn these moments of national origin are characterized as radical political innovations notable for their civic unity perfect

legitimacy and binding authority This common view is attractive as it suggests original founding events actors and ideals that can be evoked to legitimize state authority and unify citizens Ang lica Maria Bernal challenges this view of foundings however explaining that it is ultimately dangerous misguided and unsustainable Beyond Origins argues that the ascription of a universal authority to original founding events is problematic because it limits our understanding of subsequent foundational changes political transformation and innovation This singular view also confounds our ability to account for all of the actors and venues through which foundation building and constitutional transformation occurs Because such understandings of national foundings obscure the many power struggles at work in them these origin stories are troubling and unhelpful In the wake of these limited views of founding Bernal develops an alternate approach founding beyond origins Rather than asserting that founding events are authoritatively settled and relegated to history this framework redefines foundings as contentious uncertain and incomplete Indeed the book looks at a wide variety of contexts early imperial Rome revolutionary Haiti and France the mid 20th century racially segregated United States and contemporary Latin America to reconsider political foundings as a contestatory and ongoing dimension of political life Bridging classic and contemporary political and constitutional theory with historical readings Bernal reorients approaches to foundings arguing that it is only through context specific and pragmatist understandings of political origins that we can realize the potential for radical democratic change

Subject Guide to Books in Print ,1993 **General Catalogue of Printed Books to 1955** British Museum. Dept. of Printed Books,1967 Current literature of the month ,1924 **Etruscan Art in the Metropolitan Museum of Art** Richard Daniel De Puma,Metropolitan Museum of Art (New York, N.Y.),2013 Books in Series ,1985 Vols for 1980 issued in three parts Series Authors and Titles Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 *The British National Bibliography Cumulated Subject Catalogue* ,1951 **Subject Index of Modern Books Acquired** British Library,1918 **A Cultural History of Disability in Antiquity** Christian Laes,2023-05-17 Though there was not even a word for or a concept of disability in Antiquity a considerable part of the population experienced physical or mental conditions that put them at a disadvantage Drawing on a wide variety of sources from literary texts and legal sources to archaeological and iconographical evidence as well as comparative anthropology this volume uniquely examines contexts and conditions of disability in the ancient world An essential resource for researchers scholars and students of history literature culture and education A Cultural History of Disability in Antiquity explores such themes and topics as atypical bodies mobility impairment chronic pain and illness blindness deafness speech learning difficulties and mental health Books in Print ,1977 *The Journal of Roman Studies* ,1957 Includes Proceedings of the society report of the council lists of members etc **Scottish Handwriting, 1150-1650** Grant G. Simpson,1973 At a family reunion held when the moon is full the Werewolf family astounds its relatives with bizarre behavior After Satan Martine Hennard Dutheil de la Rochère,Kirsten

Stirling,2010-07-12 This volume is the result of a collective desire to pay homage to Neil Forsyth whose work has significantly contributed to scholarship on Satan This volume is after Satan in more ways than one tracing the afterlife of both the satanic figure in literature and of Neil Forsyth s contribution to the field particularly in his major books *The Old Enemy Satan and the Combat Myth* Princeton University Press 1987 revised 1990 and *The Satanic Epic* Princeton University Press 2003 The essays in this volume draw on Forsyth s work as a focus for their analyses of literary encounters with evil or with the Devil himself reflecting the richness and variety of contemporary approaches to the age old question of how to represent evil All the contributors acknowledge Neil Forsyth s influence in the study of both the Satan figure and Milton s *Paradise Lost* But beyond simply paying homage to Neil Forsyth the articles collected here trace the lineage of the Satan figure through literary history showing how evil can function as a necessary other against which a community may define itself They chart the demonised other through biblical history and medieval chronicle Shakespeare and Milton to nineteenth century fiction and the contemporary novel Many of the contributors find that literary evil is mediated through the lens of the Satan of *Paradise Lost* and their articles address the notion raised by Neil Forsyth in *The Satanic Epic* that the literary Devil figures under consideration are particularly interested in linguistic ambivalence and the twisted texture of literary works themselves The multiple responses to evil and the continuous reinvention of the devil figure through the centuries all reaffirm the textual presence of the Devil his changing forms necessarily inscribed in the shifting history of western literary culture These essays are a tribute to the work of Neil Forsyth whose scholarship has illuminated and guided the study of the Devil in English and other literatures *The Classical Weekly* ,1923 **Classical Weekly** ,1923
