Daddy's Little Girl Gregory E. Lang, 2008-05-06 In this heartwarming celebration of father daughter relationships the New York Times bestselling author of *Why a Daughter Needs a Dad* captures the important roles fathers and daughters play in each other's lives From the protectiveness and strength a dad provides to the unfettered adoration that can be found only in a daughter the unique qualities of this special bond are illustrated through real life stories of daughters and dads and accompanied by beautiful photographs It's for every dad who longs to return to the days when his daughter anxiously awaited his coming home from work And it's for every daughter who misses the days when her father carried her up to bed or taught her how to dance on the top of his shoes This book reminds us all that no matter what there is and always will be a place for daddy's little girl

Daddy's Here Heather Bock, 2016-04-23 As a mom you want the best life possible for your child a life that's normal and uncomplicated but it doesn't always work out that way When your child is dealing with a split home it can be tough You always want what's best for your child even if it's rough on you as a parent This is a story about a little girl who wants to stay with her mom She loves her dad but doesn't like having to be split up This is her mother letting her know how special and loved she is Even though her mom will miss her daughter terribly she knows how important it is for her to also spend time with her dad

I Love You Forever and a Day Brandi L McMahan, 2019-07-18 The fourth book in the *I Love You Forever and a Day* series features father with daughter in a beautiful illustration of the bond they share even when apart Keeping in tune with the first three books in the series you will enjoy reading with your little one as they learn about shapes colors days of the week months and seasons of the year More importantly reminding them of how the time spent apart makes the time spent together that much more special This book was inspired by the author's father a naval officer who retired in order to be home with she and her mother His dream was to have a naval career but all of that changed as soon as he became a father He proved his Citadel buds wrong who claimed he would never have kids that he wasn't the type Well he put them all to shame and not only can I his first born attest to this but just ask his other two children He's not just a dad he's a friend and an amazing example of what a father should be Now he can add Pops to his title with four

grandkids to share his tales of growing up as a navy brat and his many travels and experiences as a Citadel grad and officer in the navy His knowledge of history replaces the need to Google and he loves his family without abandon I hope this book will be another way to remind your child of just how much you love them and miss them when you are apart Enjoy the journey following the mermaid s tail tale and writing your own story of the mermaid mom pirate dad and how their story unfolded It s a mystery that I know readers will enjoy solving together **Why a Daughter Needs a Dad** Gregory E.
