**Pour une littérature haïtienne nationale et militante** Justin O. Fièvre, Eddy Arnold Jean, 1975-01-01 T00:00:00+01:00 Cet ouvrage est une réédition numérique d'un livre paru au XX<sup>e</sup> siècle désormais indisponible dans son format d'origine

Poetry of Haitian Independence Doris Y. Kadish, Deborah Jenson, 2015-05-26 This collection of deeply felt and powerfully moving Haitian poetry dating back to the first decades of the Caribbean island's independence from French colonial rule sheds a much needed light on an important and often neglected period in Haiti's literary history Editors Kadish and Jenson have made a significant corpus of largely unknown poetry accessible to a wide audience for the first time with this essential bilingual volume of early nineteenth century verse that celebrates the authors African origins freedom from oppression equality for all and the legitimacy of the only modern country born from a slave revolt

**Dézafi** Frankétienne, 2018-10-30 D zafi is no ordinary zombie novel In the hands of the great Haitian author known simply as Frank tienne zombification takes on a symbolic dimension that stands as a potent commentary on a country haunted by a history of slavery Now this dynamic new translation brings this touchstone in Haitian literature the first book ever published in Haitian Creole to English language readers for the first time Written in a provocative experimental style with a myriad of voices and combining myth poetry allegory magical realism and social realism D zafi tells the tale of a plantation that is run and worked by zombies for the financial benefit of the living owner The owner's daughter falls in love with a zombie and facilitates his transformation back into fully human form leading to a rebellion that challenges the oppressive imbalance that had robbed the workers of their spirit With the walking dead and bloody cockfights the d zafi of the title as cultural metaphors for Haitian existence Frank tienne's novel is ultimately a powerful allegory of political and social liberation

*Looking for Other Worlds* Jean-Charles Régine Michelle, 2022-11-10 What would it mean to reorient the study of Haitian literature toward ethics rather than the themes of politics engagement disaster or catastrophe Looking for Other Worlds engages with this question from a distinct feminist perspective and in the process discovers a revelatory lens through which we can productively read the work of contemporary Haitian writers Régine Michelle Jean Charles explores the ethical imagination of three contemporary Haitian authors Yanick Lahens Kettly Mars and Evelyne Trouillot contending that ethics and aesthetics operate in relation to each other through the writers respective novels and that the turn to ethics has proven essential in the twenty first century Jean Charles presents a useful framework for analyzing contemporary literature that brings together Black feminism literary ethics and Haitian studies in a groundbreaking way

**Odysseys Home** George Elliott Clarke, 2017-06-22 *Odysseys Home* Mapping African Canadian Literature is a pioneering study of African Canadian literary creativity laying the groundwork for future scholarly work in the field Based on extensive excavations of archives and texts this challenging passage through twelve essays presents a history of the literature and examines its debt to and synthesis with oral cultures George Elliott Clarke identifies African Canadian literature's distinguishing characteristics argues for its relevance to both African Diasporic Black and Canadian Studies and

critiques several of its key creators and texts Scholarly and sophisticated the survey cites and interprets the works of several major African Canadian writers including Andr Alexis Dionne Brand Austin Clarke Claire Harris and M Nourbese Philip In so doing Clarke demonstrates that African Canadian writers and critics explore the tensions that exist between notions of universalism and black nationalism liberalism and conservatism These tensions are revealed in the literature in what Clarke argues to be paradoxically uniquely Canadian and proudly apart from a mainstream national identity Clarke has unearthed vital but previously unconsidered authors and charted the relationship between African Canadian literature and that of Africa African America and the Caribbean In addition to the essays Clarke has assembled a seminal and expansive bibliography of texts literature and criticism from both English and French Canada This important resource will inevitably challenge and change future academic consideration of African Canadian literature and its place in the international literary map of the African Diaspora

**Can We Zoom into God?** Andrew Hemingway, 2023-10-19 When Zoom worship emerged in Britain during the COVID lockdown of 2020 Christians quickly turned to an art form a form of theater to deliver their worship It was a quest for immanence the very thing the Reformation dealt with by the elevation of transcendence What an intriguing thought Could John Calvin with his dictum regarding piety have practiced Zoom worship Served as he was with the principle that the finite cannot contain the infinite we must admit it looks very unlikely At least in this Calvin saw eye to eye with Erasmus but what of Luther He may have been a comfortable Zoom worshiper with his views that Religious artworks are neither here nor there and We may have them or not as we please Little did the church realize that it would be a step back into the past because what you permit you promote The desire to use images was much more sinister than in Medieval times as these were now images of ourselves Regardless of the age the image reigns supreme What had caused the demise Was it bereavement It could not be bereavement of God rather it was the loss of the social the bereavement of one another The need for one another had forced the hand of Christians to turn to a practice completely untested Zoom worship was born the genie is out and will never go back in But in the face of the now acceptable force of contemporary narcissism who cares

**Shaping and Reshaping the Caribbean** Martin Munro, 2000 The current drive in Caribbean literary studies stresses similarities and points of convergence between the various islands of the archipelago and their authors the fundamental aim of which is to move closer to an all encompassing theory of Caribbeanness Martin Munro challenges this movement and through a study of the work of Aime Cesaire and Rene Depestre proposes an alternative vision of the present and future of Caribbean literature The main areas of inquiry are how these two Caribbean writers construct their sense of themselves how they relate to the Caribbean and to the wider world and how they have been influenced by the historical and cultural particularities of their respective islands Aime Cesaire s sense of self and of the Caribbean is essentially shaped around the circuit triangulaire the model of Africa Europe Caribbean interdependencies ultimately inherited from the time of the slave trade Munro shows how Cesaire views the Caribbean as a deeply traumatic insubstantial space how he looks to Africa for his

lost sense of self and how Europe is seen at once as the malevolent colonial power and also the home of poetry and learning. Rene Depestre's Caribbean shape is quite different. Africa is relatively absent in Depestre's work. Europe is not presented as a threat and Depestre, unlike Césaire, sees in the Caribbean an energy and a creativity brought about by the historical fusion of disparate cultures. An important factor in shaping Depestre's model of Caribbeaness is his long exile from Haiti and Depestre's experience of exile is analysed in detail. The combination of broad contextualization, diverse theoretical approaches and close analysis of these important writers' work produces a strong argument against attempts to view and read writing from the Caribbean as one literature. Difference and diversity it is argued predominate as Caribbean writing embraces the new century and the whole notion of Caribbeaness undergoes further processes of highly creative splintering and reshaping.

*Histoire de la Littérature Haitienne Ou "L'Ame Noire."* [With a Portrait.]. Duraciné VAVAL, 1933 **Haiti for the Haitians** Brandon R. Byrd, Chelsea Stieber, 2023-08-01 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library. The world historical significance of the Haitian Revolution is now firmly established in mainstream history. Yet Haiti's nineteenth century has yet to receive its due. This despite independent Haiti's vital importance as the first nation to permanently ban slavery and its ongoing struggle for sovereignty in the Atlantic World. Louis Joseph Janvier 1855-1911 is one of the foremost Haitian intellectuals and diplomats of the late nineteenth and early twentieth centuries. His prolific oeuvre offered enduring challenges to racist slanders of Haiti and critiques of the global inequalities that arose from European colonialism and the Transatlantic Slave Trade. Through his writings, Janvier influenced the international debates about slavery, race, nation and empire that shaped his era and in many ways remain unresolved today. Arguably his most powerful work *Haiti for the Haitians* 1884 provides a searing critique of European and U.S. imperialism, predatory finance capitalism and Haiti's domestic politics. It offers his vision of Haiti's future expressed through a remarkable phrase: *Haiti for the Haitians*. *Haiti for the Haitians* is the first major English translation of Janvier. Accompanied by an introduction, annotations and an interdisciplinary collection of critical essays, this volume offers unprecedented access to this vital Haitian thinker and an important contribution to the scholarship on Haiti's nineteenth century. **Edwidge Danticat** Martin Munro, 2010-10-12 *Breath Eyes Memory* 1994 the novel born from Edwidge Danticat's childhood in Haiti and immigration to New York City was one of the great literary debuts of recent times, marking the emergence of an impressive talent in addition to opening up an entire culture to a broad general readership. This gifted author went on to win the American Book Award in 1999 for her novel *The Farming of Bones* 1998, attracting further critical acclaim. Offering an accessible guide for readers and critics alike, this book is the first publication devoted entirely to Danticat's unique and remarkable work. It is also distinctive in that it addresses all of her published writing up to *The Dew Breaker* 2004, including her writing for children, her travel writing, her short fiction and her novels. The book contains an exclusive interview with Danticat in which she discusses her recent memoir *Brother I'm Dying* 2007, winner of the National Book Critics Circle Award.

It also includes an extensive bibliography With contributions from Danticat s fellow creative writers from both the Caribbean and the United States as well as leading scholars of Caribbean literature this collection of essays aims to enrich readers understanding of the various geographical literary and cultural contexts of her work and to demonstrate how it both influences and is influenced by them Contributors Madison Smartt Bell Myriam J A Chancy Maryse Condé J Michael Dash Charles Forsdick Mary Gallagher R gene Michelle Jean Charles Carine Mardorossian Nad ve M nard Martin Munro Nick Nesbitt Mireille Rosello Renee H Shea velyne Trouillot Lyonel Trouillot Kiera Vaclavik **Modernity Disavowed** Sibylle Fischer,2004-04-30 A study of the ways that knowledge of the slave revolt in Haiti was denied repressed disavowed within the network of slave owning states and plantation societies of the New World and the effects and meaning of this disavowal

*In the Shadow of Powers* Patrick Bellegarde-Smith,2019-03-04 Out of a slave rebellion Haiti was forged as an independent nation This fact in and of itself should have been enough to perpetuate an image of Haitians as strong and agentive people But leaders of countries on both sides of the Atlantic felt threatened by Haiti s beginnings and were intent on sapping it of resources More than a century of various restrictions on trade the imposition of crippling fines and eventually a US occupation followed Yet even as they suffered economically under these penalties Haitians persisted some of them becoming influential actors in the world of global politics Throughout much of the twentieth century and even to this day there has been a dearth of scholarship on the intellectual and political contributions of Haitians In the Shadow of Powers first published in 1985 was a corrective to this oversight and remains a foundational text Bellegarde Smith traces the history of Haiti through the life and career of his grandfather Dant s Bellegarde one of Haiti s influential diplomats and preeminent thinkers As Brandon R Byrd describes in his foreword to this new edition Bellegarde was driven by a subversive racially inclusive vision of civilized progress He believed in and continued to push for Haiti to establish an existence for itself black people and the colonized world independent of the considerable shadow cast by the world s military economic and industrial powers Scholars and students who want to learn about the intellectual and political foundations of Haiti its influence on other intellectuals worldwide and its struggles against imperialism continue to find this to be an invaluable classic
