*Little Russian Philokalia*, 1983      St. Seraphim of Sarov Saint Serafim (Sarovskii), 1980      *Mystics of the Christian Tradition* Steven Fanning, 2005-06-29 From divine visions to self tortures some strange mystical experiences have shaped the Christian tradition as we know it Full of colourful detail *Mystics of the Christian Tradition* examines the mystical experiences that have determined the history of Christianity over two thousand years and reveals the often sexual nature of these encounters with the divine In this fascinating account Fanning reveals how God's direct revelation to St Francis of Assisi led to his living with lepers and kissing their sores and describes the mystical life of Margery Kempe who took weeping to new decibel levels Through presenting the lives of almost a hundred mystics this broad survey invites us to consider what it means to be a mystic and to explore how people such as Joan of Arc had their lives determined by divine visions *Mystics of the Christian Tradition* is a comprehensive guide to discovering what mysticism means and who the mystics of the Christian tradition actually were      **Not Of This World: A Treasury Of Christi** James S. Cutsinger, 2010-08-01 Anthology of nearly two thousand years of Christian mystical writings from Catholic Eastern Orthodox and Protestant perspectives This profound and insightful book includes selected writings of Christian sages and saints from the Orthodox Roman Catholic Evangelical and Celtic branches of the Christian tradition They are presented from a perspective of the transcendent unity of denominations      Practicing the Monastic Disciplines Sam Hamstra, Samuel Cocar, 2021-07-12 In *Practicing the Monastic Disciplines* authors Sam Hamstra Jr and Samuel Cocar recover the wisdom of the Christian desert and make it more available and accessible to modern Christians especially those in the evangelical circle they inhabit Believing that moderns like themselves often flail in their Christian lives the authors discover in the desert Christians of late antiquity a clear map for growing in Christlikeness as well as an effective set of tools or weapons for combating temptation This set of insights sees its completion in the spiritual theology of Evagrius Ponticus a monastic theologian who expertly assessed the maladies and corresponding remedies of Christian discipleship Evagrius and his comrades offer modern Christians a coherent framework for spiritual formation and growth one which treats seriously both the frailties of human nature and the potential for sanctification This strand of patristic spirituality guides us toward glorifying God through both training our bodies and ordering our interior lives      An Altar in the Wilderness Kaleeg Hainsworth, 2014 Father Kaleeg Hainsworth an Eastern Orthodox priest with a lifetime of experience in the Canadian wilderness grounds this manifesto in the literary philosophical mystical and historical teachings of the spiritual masters of both East and West outlining the human experience of the sacred in nature The spiritual ecology described here is fully engaged with the wilderness beyond our backyards it is an ecology which takes in nature as red in tooth and claw and offers a way forward in the face of accelerating climate change This manifesto also challenges our modern self conception as dominators or stewards of the natural world claiming these roles emerged from western industrial history and are directly responsible for the environmental damage and alienation from

nature we know today The ecological scope of this book begins with a meditation on natural beauty as the divine that breathes through all aspects of life We discover along the way that awe and mystery are so vital to the human experience of the natural world that without them we are doomed to treat nature as little more than a resource a science or a playground for recreation alone Instead a new role emerges from these pages one which accounts for the sacred in nature and places us in relationship to the world of which we are inextricably a part This role is a priestly one and Father Hainsworth outlines the significance and benefits of it in detail while also offering a vision of life in which a human being stands in the world of nature as at an altar built in the wilderness a sacred offering in a holy place      **Beyond the Monastery Walls** Patrick Lally

Michelson,2017-07-11 As the cultural and ideological foundations of imperial Russia were threatened by forces of modernity an array of Orthodox churchmen theologians and lay thinkers turned to asceticism hoping to ensure the coming Kingdom of God promised to the Russian nation      **Saint Paisius Velichkovsky of Neamts and Paisianism** Horia Ion

interpretations of sources found within Roman Catholicism Protestantism and Orthodoxy The second part of the text provides an enthralling and scholarly study of the previously relatively unexplored Jewish Islamic and Buddhist viewpoints on the concept of conscience This book is a thought provoking collection for all those interested in exploring the many facets of this most fascinating of subjects

**Russian Orthodoxy Resurgent** John Garrard, Carol Garrard, 2014-09-22 Russian Orthodoxy Resurgent is the first book to fully explore the expansive and ill understood role that Russia's ancient Christian faith has played in the fall of Soviet Communism and in the rise of Russian nationalism today John and Carol Garrard tell the story of how the Orthodox Church's moral weight helped defeat the 1991 coup against Gorbachev launched by Communist Party hardliners The Soviet Union disintegrated leaving Russians searching for a usable past The Garrards reveal how Patriarch Aleksy II a former KGB officer and the man behind the church's successful defeat of the coup is reconstituting a new national idea in the church's own image In the new Russia the former KGB who run the country Vladimir Putin among them proclaim the cross not the hammer and sickle Meanwhile a majority of Russians now embrace the Orthodox faith with unprecedented fervor The Garrards trace how Aleksy orchestrated this transformation positioning his church to inherit power once held by the Communist Party and to become the dominant ethos of the military and government They show how the revived church under Aleksy prevented mass violence during the post Soviet turmoil and how Aleksy astutely linked the church with the army and melded Russian patriotism and faith Russian Orthodoxy Resurgent argues that the West must come to grips with this complex and contradictory resurgence of the Orthodox faith because it is the hidden force behind Russia's domestic and foreign policies today

*Mustard Seeds in the Public Square* Sotiris Mitralaxis, 2019-01-10 This volume seeks to explore the intersection of theology philosophy and the public sphere not by referring the social and political to ethics and deontology as is often the case but rather to ontology itself to the very nature of beings The meaning of history and historicity is most pertinent to this enquiry and is approached here both from the perspective of social reality and from the perspective of ontology Joining together contributions focusing on theory of the public sphere and metaphysics chapters explore subjects as diverse as the political implications of the Incarnation the

paradox between ontology and history politically left and right appropriations of Christianity the fecundity of Maximus the Confessor's insights for a contemporary political philosophy modern Orthodox political theology focusing on Christos

**Liturgy in the Post-Christian Age** Matthew Yde, 2024-05-24 This is the first book length study of one of the most talented and exciting American playwrights working today Stephen Adly Guirgis has said that God is the starting point and the finish line of his work and this book identifies him as a playwright with a distinctly Christian sensibility who uses the technique of inculturation to translate the gospel for a secular audience Critics have noted that his plays are peopled with poor suffering minority figures but few have also noted that these figures bear a remarkable similarity to the dispossessed with whom Jesus identifies in Matthew 25 Beginning with his early play Den of Thieves and proceeding through each of his dramas this work examines Guirgis's plays within a biblical context While noting that Guirgis is a writer of the post Christian age who staunchly resists identification as a Christian playwright the book situates him within the tradition of the drama of ideas as a powerful writer employing a dialectical method to inculcate the New Testament ethos and transform the theater space into a place of sacrament **The Ladder of the Beatitudes** Jim Forest, James H. Forest, 1999 Drawing on stories from the lives of the saints scripture and everyday life Jim Forest opens up the mysteries of the Beatitudes These ancient blessings with which Christ began his Sermon on the Mount are all aspects of communion with God As Forest shows they are like rungs on a ladder each one leading to the next They appear at the doorway of the New Testament to provide an easily memorized summary of everything that follows right down to the crucifixion Blessed are you who are persecuted and the resurrection Rejoice and be glad Inner Christianity Richard Smoley, 2002-10-08 An eye opening introduction to the complex world of esoteric Christianity perfect for the general reader This guide to mystical and esoteric Christianity speaks from a nonsectarian point of view unearthing insights from the whole of the Christian tradition orthodox and heretical famous and obscure The esoteric tradition has traditionally searched for meanings that would yield a deeper inner knowledge of the divine While traditional Christianity draws a timeline from Adam's Fall to the Day of Judgment the esoteric often sees time as folding in on itself bringing every point to the here and now While the Church fought bitterly over dogma the esoteric borrowed freely from other traditions Kabbalah astrology and alchemy in their search for metaphors of inner truth Rather than basing his book around exponents of esoteric doctrine scholar Richard Smoley concentrates on the questions that are of interest to every searching Christian How can one attain direct spiritual experience What does the Fall really tell us about coming to terms with the world we live in Can we find salvation in everyday life How can we ascend spiritually through the various levels of existence What was Christ's true message to humankind From the Gospel of Thomas to A Course in Miracles from the Jesus Prayer to alchemy and Tarot from Origen to Dante to Jung Richard Smoley sheds the light of an alternative

Christianity on these issues and more      **The Bushel and the Candlestick** Priest John, 2009-04 Christmas Eve You are hours away from a three thousand mile flight cross country The phone rings Your great friend tells you that she won't make it through the night without your help What would you do A doctor tells your daughter that her seven day old son had a tumor and might not survive What would you do Many Christians believe we are living in the post Christian era a time when God is no longer sought for comfort and assurance The Bushel and the Candlestick by Priest John proclaims Nine Lifesaving Miracles that will serve to instill great hope in a society languishing in near spiritual despair Personal accounts of the saving power of God accompanied by scriptural support will bless readers in a time of question a time of hopelessness a time of despair and will remind those faithful to shine their light brightly for neither do men light a candle and put it under a bushel basket but on a candlestick and it giveth light unto all that are in the house Let your light so shine before men and glorify your Father which is in heaven Matthew 5 15 16 KJV      **Divine and Healing Path: Old Catholic Catechism** Elijah, 2009-11-29 OLD CATHOLIC CATECHISM Many books that introduce a religious sect either get you so pumped up that you are in danger of exploding Others are so dry that you seriously consider imploding before you get to the third chapter This isn't like that Expect the story of a man from California who took a journey toward God He tells you about his journey warns you about some of the pitfalls he found and invites you to join him on a spiritual quest In a nutshell Old Catholics are something like Roman Catholics but without the Inquisition They have all the sacraments Yes there are women priests and bishops Yes there are openly gay priests and bishops Some members are pro life while others are pro choice Don't let anybody pull the pallium over your eyes because that is the way ancient Christianity used to be everywhere You are in store for a wonder filled spiritual journey
