Little Prayers Big Impact Shedding:

Little Prayers, Big Impact Gaynell Coleman, 2015-12-02 Gaynell Coleman never considered writing nor did she set out to write a book she struggled for years to communicate with others She never gave up on improving her communication skills She knew deep within that she had the ability however she struggled with anger issues which hindered her success of improving her interpersonal effectiveness She remained focused on her goals In 1979 Coleman landed a job at the public library where she shelved books returned by patrons She discovered the inspirational section where the possibility for learning and improving herself were endless And now in *Little Prayers Big Impact* she is sharing part of her story to help you become all that you were created to be Every person is born with a yearning to be loved acknowledged and accepted for who they are The longing is like a hole in your heart that when the right connection is made there is nothing and no one that can ever sever it You know that you are complete and have been made whole The void has been filled because the things that once mattered such as material possessions accumulation of wealth job status or physical appearances have little meaning Those things that once disturbed you cannot shake the foundation of which you stand *Little Prayers Big Impact* is your road map to wholeness It is the key to delayering to get to the heart of the real you *Little Prayers Big Impact* will inspire you It will encourage you It will change your life

 us Few of us would see getting stuck in traffic a broken appliance the death of a loved one loss of a relationship development
 of a lifelong friendship or connecting with a spouse in quite the same way at the age of twenty that we do later in life Perhaps
 we lose the clarity of a hurting child like Kenny become too set in our chosen paradigms to understand God in the rituals and
 lifeways of another culture or feel His loving arms when life crashes in on us This busy noisy world can crowd out the
 progress of the flowering bush we may pass each day the joy of childhood discoveries or the whispered voice within us as we
 pass someone on the street We and our universe are truly fearfully and wonderfully made Peel off the layers of life and get to
