Report to the 76th General Convention Church Publishing, Inc. (New York, N.Y.), 2009-05 This document includes the reports of the Committees Commissions Agencies and Boards of the General Convention of the Episcopal Church to the 76th General Convention in Anaheim California July 8 17 2009 Ireland and the Reception of the Bible Bradford A. Anderson, Jonathan Kearney, 2018-04-19 Drawing on the work of leading figures in biblical religious historical and cultural studies in Ireland and beyond this volume explores the reception of the Bible in Ireland focusing on the social and cultural dimensions of such use of the Bible This includes the transmission of the Bible the Bible and identity formation engagement beyond Ireland and cultural and artistic appropriation of the Bible The chapters collected here are particularly useful and

insightful for those researching the use and reception of the Bible as well as those with broader interests in social and cultural dimensions of Irish history and Irish studies The chapters challenge the perception in the minds of many that the Bible is a static book with a fixed place in the world that can be relegated to ecclesial contexts and perhaps academic study Rather as this book shows the role of the Bible in the world is much more complex Nowhere is this clearer than in Ireland with its rich and complex religious cultural and social history This volume examines these very issues highlighting the varied ways in which the Bible has impacted Irish life and society as well as the ways in which the cultural specificity of Ireland has impacted the use and development of the Bible both in Ireland and further afield *Words to God, Word from God* Howard Neil Wallace, 2017-07-05 The psalms challenge and sustain us in a number of ways and in times of new challenges to the very fabric of the church to its faith and its values we need to re examine these ancient prayers and songs This book explores the place and function of the psalms in Christian prayer preaching and worship Examining the dual nature of the psalms as both words to God and word from God the author brings together the historical experience of the church biblical studies and theological reflection to focus on the application of the psalms in contemporary Christian life A number of individual psalms are explored in terms of what they have to say about prayer or what theological issues they raise for contemporary life This book encourages a reclamation of the psalms in the private and public prayers of the church and in the preaching of the word
