Batchelder,2017-05-16 What if the church took with utmost seriousness that baptism is the gift of a new identity taking a lifetime to grow into And what if that identity includes God s call to a way of life made visible in how Jesus lived his This book is a response to these questions in relationship to the church s practice of baptizing children This book s underlying premise is that how the church helps parents prepare for baptism is vital to how the whole family lives its baptismal identity throughout life as well as to the renewal of churches themselves In the last several decades institutionalized Christianity has found itself renegotiating its relationship with a culture that often has churches on the defensive for practices that are little changed from an era now past and insufficient as a witness to life as Christ s disciple This book urges a reconsideration of what churches offer parents seeking baptism for a child offering a transformed vision of such a ministry as well as a practical guide for putting it in place in the life of churches Pastors educators and leaders will find a pathway to follow that promises to be life changing for all involved *A Catholic Reading Guide to Universalism* Robert Wild,2015-08-14 This reading guide to some of the philosophical and theological literature on universalism offers practical help in providing informed material on a topic that is often treated in a superficial and unenlightened manner The reader may be surprised to learn that universalism was the predominant belief in the early centuries and that it has always been present in the Christian tradition Spurred on by Von Balthasar s book Dare We Hope That All Men Be Saved Robert Wild s guide provides current studies that support Von Balthasar s arguments that universalism is a legitimate hope for the Christian **Remnant Christianity in a Post-Christian World** W. Paul Jones,2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the

consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative

Rethinking the Prophetic Critique of Worship in Amos 5 for Contemporary Nigeria and the

USA Michael Ufok Udoekpo, 2016-12-14 Father Udoekpo's work offers a thorough review of the theology of worship in the work of Amos of Tekoa one of Israel's foundational prophets. It critically examines Amos 5 in its socio-historical and literary context and theologically reevaluates the application of Amos's message of ethical worship, judgment and hope to two contemporary cultures: Nigeria and the United States of America. While intentionally down-to-earth and engaging in society and religion, this work discusses in a thoughtful and detailed exegetical manner the various sub-units of lamentation vv 1-3, the motifs of the remnant, the exhortation to seek the Lord, justice and righteousness vv 4-6, 14-15, 24, judgment and the notion of the Day of the Lord vv 18-20 as they relate to the theology of worship vv 21-27 in Amos 5. The author pastorally draws the reader's attention to Amos's view that worship must not be restricted to hypocritical offerings, empty rituals and songs at sanctuaries but needs to incorporate ethics of justice, peace and righteousness practiced in marketplaces and plazas.
