**The Madness of Women** Jane M. Ussher, Jane Ussher, 2011-03-28 Nominated for the 2012 Distinguished Publication Award of the Association for Women in Psychology Why are women more likely to be positioned or diagnosed as mad than men If madness is a social construction a gendered label as many feminist critics would argue how can we understand and explain women's prolonged misery and distress In turn can we prevent or treat women's distress in a non pathologising women centred way *The Madness of Women* addresses these questions through a rigorous exploration of the myths and realities of women's madness Drawing on academic and clinical experience including case studies and in depth interviews as well as on the now extensive critical literature in the field of mental health Jane Ussher presents a

critical multifactorial analysis of women's madness that both addresses the notion that madness is a myth and yet acknowledges the reality and multiple causes of women's distress. Topics include The genealogy of women's madness incarceration of difficult or deviant women Regulation through treatment Deconstructing depression PMS and borderline personality disorder Madness as a reasonable response to objectification and sexual violence Women's narratives of resistance This book will be of great interest to students and scholars of psychology gender studies sociology women's studies cultural studies counselling and nursing

**Mad Studies Reader** Bradley Lewis, Alisha Ali, Jazmine Russell, 2024-09-30 The last few years have brought increased writings from activists artists scholars and concerned clinicians that cast a critical and constructive eye on psychiatry mental health care and the cultural relations of mental difference With particular focus on accounts of lived experience and readings that cover issues of epistemic and social injustice in mental health discourse the Mad Studies Reader brings together voices that advance anti-sanist approaches to scholarship practice art and activism in this realm Beyond offering a theoretical and historical overview of mad studies this Reader draws on the perspectives voices and experiences of artists mad pride activists humanities and social science scholars and critical clinicians to explore the complexity of mental life and mental difference Voices from these groups confront and challenge standard approaches to mental difference They advance new structures of meaning and practice that are inclusive of those who have been systematically subjugated and promote anti-sanist approaches to counter inequalities prejudices and discrimination Confronting modes of psychological oppression and the power of a few to interpret and define difference for so many the Mad Studies Reader asks the critical question of how these approaches may be reconsidered resisted and reclaimed This collection will be of interest to mental health clinicians students and scholars of the arts humanities and social sciences and anyone who has been affected by mental difference directly or indirectly who is curious to explore new perspectives

Headcase Stephanie Schroeder, Teresa Theophano, 2019-01-08 Headcase uses a collection of personal reflections and artistic representations to illustrate the intersection of mental wellness illness and LGBTQ identity as well as the the lasting impact of historical views equating lesbian or gay identity with mental illness The pieces offer personal views from both providers and clients often one and the same about their experiences The volume breaks new ground in documenting issues in LGBTQ mental health care with these superbly written and powerfully rendered personal and political stories and images

*Reading and Writing Experimental Texts* Robin Silbergeld, Kristina Quynn, 2017-10-03 This collection of essays offers twelve innovative approaches to contemporary literary criticism The contributors women scholars who range from undergraduate students to contingent faculty to endowed chairs stage a critical dialogue that raises vital questions about the aims and forms of criticism its discourses and politics as well as the personal institutional and economic conditions of its production Offering compelling feminist and queer readings of avant garde twentieth and twenty first century texts the essays included here are playful performative and theoretically savvy Written for students scholars and

professors in literature and creative writing Reading and Writing Experimental Texts provides examples for doing literary scholarship in innovative ways These provocative readings invite conversation and community reminding us that if the stakes of critical innovation are high so are the pleasures     Unspeakable Things Laurie Penny, 2014-07-03 Shortlisted for The Green Carnation Prize 2014 This is not a fairytale This is a story about how sex and money and power police our dreams Clear eyed witty and irreverent Laurie Penny is as ruthless in her dissection of modern feminism and class politics as she is in discussing her own experiences in journalism activism and underground culture This is a book about poverty and prejudice online dating and eating disorders riots in the streets and lies on the television The backlash is on against sexual freedom for men and women and social justice and feminism needs to get braver Penny speaks for a new feminism that takes no prisoners a feminism that is about justice and equality but also about freedom for all It s about the freedom to be who we are to love who we choose to invent new gender roles and to speak out fiercely against those who would deny us those rights It is a book that gives the silenced a voice a voice that speaks of unspeakable things     **Assuming the Ecosexual Position** Annie Sprinkle, Beth Stephens, Jennie Klein, Linda Montano, 2021-08-17 The story of the artistic collaboration between the originators of the ecosex movement their diverse communities and the Earth What s sexy about saving the planet Funny you should ask Because that is precisely or perhaps broadly what Annie Sprinkle and Beth Stephens have spent many years bringing to light in their live art exhibitions and films In 2008 Sprinkle and Stephens married the Earth which set them on the path to explore the realms of ecosexuality as they became lovers with the Earth and made their mutual pleasure an embodied expression of passion for the environment Ever since they have been not just pushing but obliterating the boundaries circumscribing biology and ecology creating ecosexual art in their performance of an environmentalism that is feminist queer sensual sexual posthuman materialist exuberant and steeped in humor Assuming the Ecosexual Position tells of childhood moments that pointed to a future of ecosexuality for Annie in her family swimming pool in Los Angeles for Beth savoring forbidden tomatoes from the vine on her grandparents Appalachian farm The book describes how the two came together as lovers and collaborators how they took a stand against homophobia and xenophobia and how this union led to the miraculous conception of the Love Art Laboratory which involved influential performance artists Linda M Montano Guillermo G mez Pe a and feminist pornographer Madison Young Stephens and Sprinkle share the process of making interactive performance art including the Chemo Fashion Show Cuddle Sidewalk Sex Clinics and Ecosex Walking Tours Over the years they celebrated many more weddings to various nature entities from the Appalachian Mountains to the Adriatic Sea To create these weddings they collaborated with hundreds of people and invited thousands of guests as they vowed to love honor and cherish the many elements of the Earth As entertaining as it is deeply serious and arriving at a perilous time of sharp differences and constricting categories the story of this artistic collaboration between Sprinkle Stephens their diverse communities and the Earth opens gender and sexuality art and environmentalism to the infinite possibilities and promise of

love     **Consuming Bodies** Jackie Hogan, Sarah Whetstone, 2024-12-24 Our bodies reveal the values priorities anxieties and material realities of the society in which we are situated and in contemporary consumer societies human bodies both reflect the defining characteristics of our time and carry the markers of social hierarchies based on categories such as gender race and class Consuming Bodies Body Commodification and Embodiment in Late Capitalist Societies explores the ways our bodies are increasingly commodified from before birth to after death through both long standing forms of commodification captive labor sex work and spectator sports and newer forms commercial surrogacy the thriving trade in human biomaterials female genital rejuvenation surgery global romance tourism and green burial practices among others As this diverse range of topics demonstrates body commodification reaches increasingly into every realm of our lives from our most intimate experiences to encounters with pop culture the beauty industries the medical industrial complex and the state This volume takes a critical perspective on body commodification and embodiment both in the US and across the globe making an important contribution to social scientific understandings of the body both by going beyond the Eurocentric approach that typifies much of the extant scholarly literature and by addressing newly emerging practices that are growing out of techno scientific and social changes     **Hello Cruel World** Kate Bornstein, 2011-01-04 Celebrated transsexual trailblazer Kate Bornstein has with more humor and spunk than any other ushered us into a world of limitless possibility through a daring re envisionment of the gender system as we know it Here Bornstein bravely and wittily shares personal and unorthodox methods of survival in an often cruel world A one of a kind guide to staying alive outside the box Hello Cruel World is a much needed unconventional approach to life for those who want to stay on the edge but alive Hello Cruel World features a catalog of 101 alternatives to suicide that range from the playful moisturize to the irreverent shatter some family values to the highly controversial Designed to encourage readers to give themselves permission to unleash their hearts harmless desires the book has only one directive Don t be mean It is this guiding principle that brings its reader on a self validating journey which forges wholly new paths toward a resounding decision to choose life Tenderly intimate and unapologetically edgy Kate Bornstein is the radical role model the affectionate best friend and the guiding mentor all in one     *Depression* Ann Cvetkovich, 2012-11-05 Ann Cvetkovich combines memoir and cultural critique in search of ways of writing about depression as a public cultural and political phenomenon rather than as a personal medical pathology     **Bitch** , 2008     Gay Bar Jeremy Atherton Lin, 2021-02-09 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times NPR Vogue Gay Times Artforum Gay Bar is an absolute tour de force Maggie Nelson Atherton Lin has a five octave Mariah Carey esque range for discussing gay sex New York Times Book Review As gay bars continue to close at an alarming rate a writer looks back to find out what s being lost in this indispensable intimate and stylish celebration of queer history Strobing lights and dark rooms throbbing house and drag queens on counters first kisses last call the gay bar has long been a place of solidarity and sexual expression whatever your scene whoever you re seeking

But in urban centers around the world they are closing a cultural demolition that has Jeremy Atherton Lin wondering What was the gay bar How have they shaped him And could this spell the end of gay identity as we know it In *Gay Bar* the author embarks upon a transatlantic tour of the hangouts that marked his life with each club pub and dive revealing itself to be a palimpsest of queer history In prose as exuberant as a hit of poppers and dazzling as a disco ball he time travels from Hollywood nights in the 1970s to a warren of cruising tunnels built beneath London in the 1770s from chichi bars in the aftermath of AIDS to today's fluid queer spaces through glory holes into Crisco slicked dungeons and down San Francisco alleys He charts police raids and riots posing and passing out and a chance encounter one restless night that would change his life forever The journey that emerges is a stylish and nuanced inquiry into the connection between place and identity a tale of liberation but one that invites us to go beyond the simplified Stonewall mythology and enter lesser known battlefields in the struggle to carve out a territory *Elegiac* randy and sparkling with wry wit *Gay Bar* is at once a serious critical inquiry a love story and an epic night out to remember
