Living And Active Scripture In The Economy Of Salvation:

Living and Active Telford Work, 2001 For all of the Bible's popularity confusion reigns about what the Bible is its relationship to God and to its human authors and readers and its proper use **Living and Active** answers these fundamental questions by looking anew at Scripture from the perspective of Christian doctrine Rather than treating the Bible as a sourcebook for theology Telford Work uses systematic theology to build a compelling new doctrine of Scripture that allows us to see the Bible at work accomplishing God's purposes in the world Throughout the book Work incorporates insights from the Eastern Orthodox Roman Catholic Lutheran Calvinist Anabaptist and evangelical traditions He also interacts with patristic theology historical critical methods of interpretation and postmodern thought As a result **Living and Active** is the most relevant and ecumenical statement of Scripture now available

Living and Active Telford Work, 2001-10 For all of the Bible's popularity both in the church and in Western culture confusion reigns about what the Bible is its relationship to God its relationship to its human authors and readers and its proper use **Living and Active** answers these fundamental questions by looking anew at Scripture from the perspective of Christian doctrine Rather than treating the Bible as a sourcebook for theology Telford Work uses systematic theology to build a compelling new doctrine of Scripture the doctrine of God establishes the Bible's triune character and purpose the doctrine of salvation explains the mission of Scripture in ancient Israel in the career of Jesus and in the life of his followers the doctrine of the church relates the Bible's qualities to those of its reading communities describes the relation of Scripture and tradition and appreciates the Bible's role in worship and in personal salvation Drawing in this way on the full resources of Christian dogmatics allows us to see the Bible at work accomplishing God's purposes in the world Throughout the book Work incorporates insights from the Eastern Orthodox Roman Catholic Lutheran Calvinist Anabaptist and evangelical traditions in order to produce a truly ecumenical doctrine of Scripture He also interacts with patristic theology and practice historical critical methods of interpretation and postmodern thought refusing to draw lines between biblical studies ethics history philosophy and theology As a result **Living and Active** is the most comprehensive balanced and relevant statement of Scripture now available It clearly portrays the Bible as integral to the economy of salvation and the life of the church it offers solutions to the current crisis of biblical authority and practice and it prescribes fruitful ways to preach teach and live Scripture in today's world

For the Sake of Our Salvation Scott Hahn, 2011-02-22 This is the sixth annual volume of the remarkably popular journal of biblical theology edited by Scott Hahn and his St Paul Center for Biblical Theology This volume features an all star lineup tackling one of the most controversial and important subjects in biblical scholarship the inspiration and truth of Sacred Scripture What does it mean to say that Scripture is the Word of God Are there errors in Scripture These are some of the questions addressed in important new works by Hahn Brant Pitre Pablo Gadenz Michael Waldstein John Betz and Germain Grisez Highlights include Hahn's new essay on the truth and humility of God's Word and Gadenz's authoritative review of the Catholic teaching on the

inerrancy of Scripture This volume also includes a never before translated essay by Romano Guardini Holy Scripture and the Science of Faith From the Editors introduction The widespread erosion in the assumption that Scripture is the true Word of God forms the broader context for the articles and studies in this volume of Letter Spirit As we see it the work we present in these pages is no ivory tower exercise It is no exaggeration to say that at stake in this discussion is the future of the identity of the Church and the mission of the Word incarnate If the Scriptures cannot be trusted to communicate the truth about God and his saving message if they do not bring us to the encounter with the living God who speaks his Word then it must be asked what is the meaning and purpose of the Church

Re-enchanting the Text Cheryl Bridges Johns, 2023-05-16 In an age when the Bible has been stripped of its sacredness and functional biblical illiteracy reigns this book makes the case that we must work to re enchant the text in order to return the Bible to its rightful place in the lives of Christians Cheryl Bridges Johns explains how the Enlightenment s turn to the rational human subject made it possible to objectify the Bible and has distorted our interpretations of Scripture This move generated a belief that studying the Bible was primarily a means of supporting facts and providing evidence of competing visions of reality This modern version of the Bible does not trouble our nights with apocalyptic images It has been stripped of its power She also shows that both liberal and fundamentalist interpretation are failed forms of disenchanting readings Johns argues that we must rediscover the Bible as a sacred dangerous mysterious and presence filled wonderland to counteract biblical illiteracy in an increasingly post Christian landscape

These Are Written Peter Nafzger, 2013-05-31 Today there is an increasing awareness and availability of the sacred writings of the world s religions This raises important questions about the Christian Scriptures What is distinctive about these writings What role do they play in the Christian story What makes these particular texts holy The modern battle for the Bible with its narrow focus on proving or disproving biblical inerrancy has made it difficult to provide sufficient answers This work of constructive theology rethinks the concepts categories and assumptions that have dominated the modern approach to the Bible by returning to the biblical narrative and its focus on the cross It identifies the Scriptures as the written form of the living and active Word of God which was spoken by the prophets and apostles and became human in the person of Jesus Christ This conception of the Bible provides Christians in this postmodern world with a solid ground from which to address pressing questions about canon authority and interpretation of their Scriptures

God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God s people God s Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it s so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture s authority in the face of today s challenges and why a solid doctrinal foundation built on God s Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Divine Scripture in Human Understanding Joseph K. Gordon, 2019-03-15 In six closely reasoned chapters Joseph Gordon presents a detailed account of a Christian doctrine of Scripture in the fullest context of systematic theology Divine Scripture in Human Understanding addresses the confusing plurality of contemporary approaches to Christian Scripture both within and outside the academy by articulating a traditionally grounded constructive systematic theology of Christian Scripture Utilizing primarily the methodological resources of Bernard Lonergan and traditional Christian doctrines of Scripture recovered by Henri de Lubac

it draws upon achievements in historical critical study of Scripture studies of the material history of Christian Scripture reflection on philosophical hermeneutics and philosophical and theological anthropology and other resources to articulate a unified but open horizon for understanding Christian Scripture today Following an overview of the contemporary situation of Christian Scripture Joseph Gordon identifies intellectual precedents for the work in the writings of Irenaeus Origen and Augustine who all locate Scripture in the economic work of the God to whom it bears witness by interpreting it through the Rule of Faith Subsequent chapters draw on Scripture itself classical sources such as Irenaeus Origen Augustine and Aquinas the fruit of recent studies on the history of Scripture and the work of recent scholars and theologians to provide a contemporary Christian articulation of the divine and human locations of Christian Scripture and the material history and intelligibility and purpose of Scripture in those locations The resulting constructive position can serve as a heuristic for affirming the achievements of traditional historical critical and contextual readings of Scripture and provides a basis for addressing issues relatively underemphasized by those respective approaches

Theology After Neo-Pragmatism Adonis Vidu, 2009-02-16 This book develops the thesis that Evangelical theology not only cannot afford to avoid engaging with the philosophy of neo pragmatism but it can also benefit from the proposals of some of its leading exponents especially Donald Davidson Three different themes run throughout the book meaning epistemic justification and ontology How can theologians be confident of the meanings ascribed to religious beliefs in the wake of the dissolution of the very concept of meaning and of the analytic synthetic distinction Is there any rational fraction between our beliefs religious or mundane and some extra linguistic reality Is God something more than simply a symbolic construct associated with a certain manner of speaking The surprising thought of Donald Davidson offers resources for Evangelical theology seeking hopeful answers to these troubling questions Davidson s rejection of the so called third dogma of empiricism namely the dualism of scheme of content should be welcomed by those defending theological rationality and refuting relativism and incommensurability Furthermore his truth conditional semantics can serve as a check against revisionist accounts of religious beliefs that flaunt the first person point of view of the religious believer herself These Davidsonian contributions to an Evangelical theology are however balanced by inherent inadequacies which require a theological supplement which is also a creative proposal calling for the continued significance of experience in theology beyond the myth of the Given an understanding of the role of Scripture as both epistemic as well as dispositional and finally an understanding of the nature of truth as located in the mind of God

Theology After Neo Pragmatism is both an introduction to an influential philosophical trend and a critical and constructive theological proposal which is at once scriptural and historicist pragmatic and realist

The Voice of God in the Text of Scripture Zondervan,2016-11-01 A Development of the Doctrine of Scripture and Its Interpretation In the case of engaging with Scripture in a way that allows it to speak to us we have a theological mandate to develop a doctrine of Scripture that recognizes both the written text and its divine authorship The proceedings of the fourth annual Los Angeles Theology Conference focuses on the theological and doctrinal dimensions to the biblical texts drawing on scholars of biblical studies and systematic theology in order to do so The question that frames these discussions is How does the voice of God come to us in the text of Scripture The ten diverse essays in this collection include discussions on Authorial intent The reception and formation of the Bible as Christian Scripture The relationship between Scripture and human identity The hermeneutics of metaphor and theological method Each of the essays collected in this volume engage with Scripture as well as with others in the field theologians both past and present from different confessions in order to provide constructive resources for contemporary systematic theology and to forge a theology for the future

The Lion, the Dove, & the Lamb, Revised Edition A. Bryden Black,2018-12-14 How might the formal Christian doctrine of the Trinity make a real concrete difference in the lives of individuals and in the life of the church This book proposes there are two parts to answering this important but elusive question In the first place how on earth did the Early Church actually reach its conclusions about this understanding of God and why What s the real point behind their endeavors How might we apprehend what is otherwise sheer mystification or even nonsense in some people s minds Arising out of the answers to such questions we can secondly construct an appropriately simple model of the Trinity By means of this model we can understand with sufficient justice the ways the triune God has come among us in our human history ways that are still ongoing today For the proposed model allows us to begin to appreciate the true mystery of the Christian Faith while also making a practical difference to the lives of Christian discipleship in prayer worship and mission

Sacred Rhetoric Michael Pasquarello III,2012-06-01 Modern approaches to preaching today are largely fixated on how to s how to make preaching more relevant more interesting more entertaining Michael Pasquarello suggests that this fixation may stem from a preaching imagination more beholden to technical scientific reason than theological wisdom Rather than devising new techniques or

strategies for effective speaking Pasquarello offers something more salutary portraits of ten exemplary preachers from the Christian tradition Included in Pasquarello s gallery are Augustine of Hippo Gregory the Great Benedict Bernard of Clairvaux Bonaventure Thomas Aquinas Erasmus Hugh Latimer Martin Luther and John Calvin These excellent preachers conceived of Christian speech as a unique theological practice learned through prayerful attention to the Bible and aimed at communion with God Sacred Rhetoric invites readers to join an extended conversation with the past in order to become faithful preachers of the gospel in a post Christian society Preachers seminarians and students of Christian history will find much to learn from Pasquarello s fresh perspective and passion for the past **Training Asians to Reach the World** Dave

examines what it means to proceed in the path of wisdom by beginning with fear of God that is mindfulness always and everywhere of God's being and presence Michael Allen describes the praxis of fearing the Lord how that posture of contemplative pursuit marks the theological task and defines our theological method in so doing it takes up the significant topics of divine revelation theological exegesis intellectual asceticism and retrieval renaissance from a distinctly doctrinal perspective In each of these conversations doing theology in the presence of God functions as a consistent thread God is not mere object but truly functions as subject in the process of theological growth though God's presence and agency fund rather than negate creaturely theological responsibility The Fear of the Lord Essays on Theological Method explores some of the most central questions of contemporary theological method revelation Scripture theological interpretation retrieval intellectual asceticism scholastic method by asking in each and every case what it means to think fundamentally of the perfect and present God involved and active in these spheres

Reading Scripture in the Fellowship of the Spirit Trevor Reynolds, 2019-02-19 How does the Holy Spirit guide the Christian community in its custodianship and interpretation of Scripture How does the fact that the Spirit is characterized by koinonia impact upon this task In light of this do we read Scripture with too much of an individualistic mindset In this new book Dr Trevor Reynolds addresses these questions seeking answers primarily from within Scripture itself He explores in depth what Jesus and the New Testament community taught concerning the interpretive role of the Holy Spirit How did they interpret Scripture with the help of the Spirit He highlights their corporate Spirit led hermeneutic with its challenge to our individualistic approaches The New Testament writers interpreted the Old Testament in a way that revealed communal methods of interpretation These were informed by Jewish pneumatic and corporate solidarity notions as reshaped by Jesus own Spirit given example and legacy In this book New Testament extracts are discussed which contain either specific examples of how Old Testament Scripture is interpreted by members of the New Testament community with the Spirit's help or speak of the Spirit's work of interpretation in a more general way Trevor

Reynolds seeks to uncover their implications for biblical hermeneutics as well as for the doctrine use and custodianship of Scripture in the life and witness of the church today The book concludes by pointing to the wide ranging implications that reading Scripture in the fellowship of the Spirit poses for today s church Theology as Retrieval W. David Buschart,Kent Eilers,2015-04-15 Buschart and Eilers identify six critical areas Scripture theology worship spirituality mission and culture where contemporary Christians are retrieving aspects of our Christian past for life and thought today The result is a fascinating tour and wise reflection on how Christians might receive employ and transmit the treasures of their past
