This Manual is designed to be used as a compliment to and in conjunction with my book Your Better Self A Simple Guide to Where You Want to Be It can most certainly be read by itself as a proper book in its own right However there are allusions and references to content in the book such that some of the content of this Manual might appear incomplete The purpose of the book is to offer scenarios and stories slices of real life so that readers can self identify the specific areas of life they need to work on so they can increase their motivation and energy to straightforwardly manifest their worthy aspirations and more quickly become their better Selves The purpose of this Manual is to be a companion to the book offering additional content stories resources tools and exercises to help readers delve more deeply into those areas of opportunity to improve themselves Taken together the book and this Manual provide all that is needed to begin to more rapidly and easily become your better Self and get what you really want in your life When you read a chapter in the book that beckons you to explore that particular theme of life at a deeper level pick up this Manual and go to that same chapter the Manual has the same chapter names and sequence as the book and read the additional content More importantly be sure to do the exercises as these will help you get clearer on the specific and unique ways YOU can become YOUR better Self English File 4E Advanced Workbook without answers Christina Latham-Koenig, Clive Oxenden, Kate Chomacki, Jerry Lambert, 2020-07-28 English File s unique lively and enjoyable lessons are renowned for getting students talking In fact 90% of English File teachers we surveyed in our impact
