Living the Catholic Social Tradition Kathleen Maas Weigert,Alexia K. Kelley,2005 Living the Catholic Social Tradition combines four essays from leading scholars with eight concrete case studies based on community social justice projects across the country This unique combination of theory and reflective practice provides university students and adult learners with a framework for understanding the Catholic social tradition and a demonstration of its positive social impact on the people it serves The reader first learns about the challenges facing Catholic universities in educating the current generation about the Catholic social tradition The next essays provide insights into the ways in which the tradition frames and contributes to social change approaches to understanding the key concepts and documents that make up the tradition and an understanding of the forces confronting change agents in major metropolitan areas Undertaken by younger scholars and activists the eight case studies tackle the issues that grass roots groups and visionary leaders face as they try to bring about positive change in their communities

Modern Catholic Social Teaching Kenneth R. Himes,2018-01-02 Including contributions from twenty two leading moral theologians this volume is the most thorough assessment of modern Roman Catholic social teaching available In addition to interrogations of the major documents it provides insight into the biblical and philosophical foundations of Catholic social teaching addresses the doctrinal issues that arise in such a context and explores the social thought leading up to the modern era which is generally accepted as beginning in 1891 with the publication of Pope Leo XIII s Rerum Novarum The book also includes a review of how Catholic social teaching has been

received in the United States and offers an informed look at the shortcomings and questions that future generations must address. This second edition includes revised and updated essays as well as two new commentaries: one on Pope Benedict XVI's encyclical *Caritas in Veritate* and one on Pope Francis's encyclical *Laudato Si'*. An outstanding reference work for anyone interested in studying and understanding the key documents that make up the central corpus of modern Catholic social teaching.

Justice and Peace Milburn J. Thompson, 2015-03-31 *Catholic Social Learning, Expanded Edition* Roger Bergman, 2023-12-20

The award-winning and widely read first edition of *Catholic Social Learning: Educating the Faith That Does Justice* published in 2011 described the critical edge of the tradition of justice pedagogy in Catholic higher education at the end of the first decade of the twenty-first century. But living traditions change in response to new challenges and develop their own resources more fully. The most obvious and compelling development in recent years has been the publication in 2015 of Pope Francis's landmark encyclical *Laudato Si'*. On Care for Our Common Home, the occasion for the new chapter length afterword to this expanded edition of *Catholic Social Learning*. The urgent imperative to defend creation is a major but not the only reason for a new edition. Two new chapters on the many forms of shame as a pedagogical issue and on the Book of Job and belief in a just world add spiritual and theological depth to the original assessment of more than a decade ago. Those three additions comprise the totally new Part IV: The Critical Edge of the Tradition. A new preface sets the argument in the context of current controversies over the place of painful emotions in educational settings.

Stepping Out of the Brain Drain Michele R. Pistone, John J. Hoeffner, 2007-05-30

Stepping Out of the Brain Drain is an important contribution to the intensifying debate about highly skilled migration from developing to developed countries. Addressing the issue from the perspective of Catholic social thought, the authors demonstrate that both the economic and ethical rationales for the teaching's opposition to brain drain have been undermined in recent years and show how the adoption of a less critical policy could provide enhanced opportunities for poor countries to accelerate their economic development.

Living Justice and Peace Jerry Windley-Daoust, 2002 Third Edition Available Now

The Ad Hoc Committee to Oversee the Use of the Catechism, United States Conference of Catholic Bishops, has found this catechetical textbook *Living Justice and Peace*, copyright 2002, to be in conformity with the Catechism of the Catholic Church. What is justice? How can I respond to the call of justice in my daily life? *Living Justice and Peace* is a one-semester course for eleventh and twelfth graders that gives students practical ways to respond to the call to justice in their daily lives. The *Living Justice and Peace* course fosters students' sense of compassion for those who suffer from injustice and enables students to examine society critically using the values of the Scriptures and Catholic teaching. Specific topics are addressed, including abortion, capital punishment, racism, poverty, the environment, violence, and peace. Colorful graphs, charts, student artwork, and illustrations engage students with the text. True stories of people transforming the world through justice and peace, and what you can do, sidebars give teens practical applications for the teachings. This course encourages teens to imagine ways to work toward justice and peace and to act on their beliefs.

A Vision of Justice Susan Crawford Sullivan, Ron Pagnucco, 2014 *A Vision of Justice* Engaging Catholic Social Teaching on the College Campus draws together the insights of social scientists historians and theologians in order to introduce readers to central topics in Catholic Social Teaching and to provide concrete examples of how it is being put into action by colleges and college students The authors bring their disciplinary backgrounds and knowledge of Catholic Social Teaching to the exploration of the issues making the book suitable for use in a wide range of courses and settings Discussion questions at the end of each chapter help readers to think about issues raised in the essays and to think creatively about Catholic Social Teaching in an ever changing world The authors invite readers to join them in engaging contemporary thought and experience in the light of Catholic Social Teaching and the college campus

The Cosmic Common Good Daniel P. Scheid, 2016 In this book Daniel Scheid draws on Catholic social thought as a foundation for a new type of interreligious ecological ethics which he calls the cosmic common good By placing this concept in dialogue with tenets from other spiritual traditions such as Hindu dharmic ecology Buddhist interdependence and American Indian balance Scheid constructs a theologically authentic moral framework that re envisions humanity s role in the universe

Becoming Beholders Karen E. Eifler, Thomas M. Landy, 2014-04-28 Catholic colleges and universities have long engaged in conversation about how to fulfill their mission in creative ways across the curriculum The sacramental vision of Catholic higher education posits that God is made manifest in the study of all disciplines *Becoming Beholders* is the first book to share pedagogical strategies about how to do that Twenty faculty from many religious backgrounds and in fields such as chemistry economics English history mathematics sociology and theology discuss ways that their teaching nourishes students ability to find the transcendent in their studies

Religion and Poverty Susan Crawford Sullivan, Stephen Offutt, Shariq Ahmed Siddiqui, 2024-04-09 This book offers a timely and compelling look at religion and poverty focusing primarily on the two largest world religions Christianity and Islam and considering religion and poverty in the United States and international contexts Written by social scientists the book incorporates relevant theology with a focus on how theology is lived in relation to issues of poverty Topics include religion as it relates to social service provision lived religion philanthropy faith based social movements public policy and more This volume synthesizes existing research on religion and poverty and includes new original research It is an essential resource for upper level undergraduate or graduate courses focused on religion and poverty and is also an outstanding supplementary text for broader courses in religion poverty social welfare philanthropy and non profit organizations
