Living Seasonally Joe Eck, Wayne Winterrowd, 1999-04-12 With more and more people migrating to the countryside and with the growing trend away from mass produced and factory processed foods the time is ripe for the wisdom and eloquence of Living Seasonally Here Joe Eck and Wayne Winterrowd champion respect for the seasons and pride in workmanship as they invite us to share in their dedication to both the practicalities and the aesthetics of living off the land Living Seasonally puts special emphasis on the raising of vegetables It details not only the day to day aspects of vegetable gardening but also the shaping of the garden to make it a beautiful space with its own particular emotional resonance its own magic Delicious recipes and photography complete what will surely become a gardening classic *Our Life in Gardens* Joe Eck, Wayne Winterrowd, 2010-02-22 This is the third book we have written together though separately we have written others But to say written separately makes no sense for when two lives have been bent for so many years on one central enterprise in this case gardening there really is no such thing as separately With these words the renowned garden designers Joe Eck and Wayne Winterrowd begin their entertaining fascinating and unexpectedly moving book about the life and garden they share The book contains much sound information about the cultivation of plants and their value in the landscape and invaluable advice about Eck and Winterrowd's area of expertise garden design There are chapters about the various parts of their garden and sections about particular plants roses and lilacs snowdrops and cyclamen and vegetables The authors also discuss the development of their garden over time and the dark issue that weighs more and more on their minds its eventual decline and demise *Our Life in Gardens* is a deeply satisfying perspective on gardening and on life *The Gardener's Bedside Reader* Kari Cornell, Diane Ackerman, Michael Pollan, 2008 **Travels in a Gay Nation** Philip Gambone, 2010-06-30 For two years Philip Gambone traveled the length and breadth of the United States talking candidly with LGBTQ people about their lives In addition to interviews from David Sedaris George Takei Barney Frank and Tammy Baldwin *Travels in a Gay Nation* brings us lesser known voices a retired Naval officer a transgender scholar and drag king a Princeton philosopher two opera sopranos who happen to be lovers an indie rock musician the founder of a gay frat house and a pair of Vermont garden designers In this age when contemporary gay America is still coming under attack Gambone captures the humanity of each individual For some their identity as a sexual minority is crucial to their life's work for others it has been less so perhaps even irrelevant But whether splashy or quiet center stage or behind the scenes Gambone's subjects have managed despite facing ignorance fear hatred intolerance injustice violence ridicule or just plain indifference to construct passionate inspiring lives Finalist Foreword Magazine's Anthology of the Year Outstanding Book in the High School Category selected by the American Association of School Libraries Best Book in Special Interest Category selected by the Public Library Association *To Eat* Joe Eck, Wayne Winterrowd, 2024-09-04 A memorable book about the path food travels from garden to table A celebration of life together a tribute to an utterly unique garden a wonderfully idiosyncratic guide for cooks and gardeners interested in

exploring the possibilities of farm to table living To Eat is all of these things and more In 1974 Joe Eck and Wayne Winterrowd moved from Boston to southern Vermont where they became the proprietors of a twenty eight acre patch of wilderness The land was forested overgrown and wild complete with a stream Today North Hill s seven carefully cultivated acres open to visitors during the warmer months are an internationally renowned garden In the intervening years both the garden and the gardening books A Year at North Hill Living Seasonally Our Life in Gardens Eck and Winterrowd created together have been acclaimed in many forms including in the pages of The New York Times They were at work on To Eat which also includes recipes from the renowned chef and restaurateur Beatrice Tosti di Valminuta and beautiful illustrations from their long time collaborator Bobbi Angell when Winterrowd passed away in 2010 Informative funny and moving the delights within a runaway bull a recipe for crisp fatty chicarrones a personal history of the Egyptian onion a hymn to the magic of lettuce are sure to make To Eat a book readers return to again and again **My Favorite Plant** Jamaica
