Spiritual Formation Corneliu C. Simuț, 2022-04-26 This book is a multichapter introduction to spiritual formation within the Christian tradition Corneliu C Simu discusses spiritual formation from the views of several Christian thinkers with a chapter devoted to each thinker The concluding chapter notes common themes shared by each thinker The author presents some key Patristic Medieval Early Modern Modern and Contemporary theologians in a way that is characterized by brevity concision and clarity Thus this small book is a useful introduction to spiritual formation from a Christian perspective It would be helpful for a college student or young adult who seeks to be educated on the subject The conciseness of the book is a benefit Yet the book raises interesting questions for further pursuit A very succinct but comprehensive historical presentation of sanctification through the lens of spiritual formation a concept which has been revived in the past two decades especially in Evangelical circles this text is useful for a college course in spiritual formation or religion *Living the Lord's Prayer* Everett L.
