Brummett, Nancy Parker, 2015-04-27 The guide the author wishes she had when she took on a caretaker role By 2020 the senior population in this country will number over 115 million Despite this persistent graying of America few adult children feel prepared to take on the role of caregiver for aging parents Those who discover they must now intervene and care for an elder they love are often at a loss Trying to navigate the transition is like being dropped in a foreign country with no map no

GPS and no translator and acting as tour guide Nancy Parker Brummett knows what they're going through and has the means to help. She shares her own experience of caring for a mother and mother-in-law in assisted living as well as lessons learned through study of the academic, social, and political issues involved. Each chapter begins with relevant Scripture but the useful information here is not limited to people of faith. *Take My Hand Again* offers readers the warm feeling of having someone they trust stepping up to hold their hand and share encouragement and hope. Children of the aging don't need a degree in gerontology; they just need for someone to ask the pertinent questions and give them an overview of the pros and cons of common options so they can make informed decisions. Whether they've already had their wake-up call or just want to be prepared for what's to come, Brummett's sometimes humorous, sometimes poignant book has just what they're looking for.

***Don't Write My Obituary Just Yet*** Missy Buchanan, 2011-04-01 Even when we're old, God can still use us. In *Don't Write My Obituary Just Yet*, Missy Buchanan will warm your heart with her stories of older adults living with a sense of purpose and gratitude for the life God has given them. As Buchanan writes in the introduction, "Good stories leave an imprint on our hearts and inspire us to live differently." The 30 stories in this enlarged print book give us glimpses into the lives of ordinary people ranging from 70 to 100 years old. Some of these folks are active; others are dealing with physical or mental decline. All exemplify how strong faith can help us overcome struggles and sorrows and live in hope. A scripture and prayer accompany each story. This book will uplift any older adult who needs to know that their life still matters to God and others. It's also an encouraging guide for middle-aged people wondering how they can live meaningful lives in their later years, even if they are ill or frail.

***Listen for the Joy*** Elizabeth G. Myers, 2024-08-21 I once told a sweet centenarian, a person who has reached the age of 100 years at the nursing home where I worked, that her hair looked pretty. She replied to me, "Thank you, it's old." I had to laugh. From that moment on, I started paying more attention to verbalizations and those sweet moments of joy that I caught, a glimpse of every single day. This book is a compilation of many moments that caused me to smile. In my work as a music therapist and activity director in geriatrics, I found out that all one had to do was just listen and love. The joy was there. A physician once said, "The best medicine for humans is love." Someone asked, "What if it

doesn't work He smiled and said Increase the dose      *Guia prático para o aconselhamento de mulheres - eBook* Diane Langberg, Tim Clinton, 2019-04-30 Toda mulher tem uma história que moldada exclusivamente por ser mulher Para muitas essa história está escondida hermeticamente trancada dentro de um coração partido Mas por trás de paredes de medo raiva e medo estão as feridas abertas Por trás da maquiagem e do sorriso mulheres em todos os lugares estão sofrendo Estão confusas com medo assustadas e em silêncio Como corpo de Cristo somos chamados para ministrar aos quebrados e feridos não para ignorá-los faz-los calar e dizer a eles para superarem isso e seguirem em frente Este Guia prático para o aconselhamento de mulheres a resposta a esse apelo legítimo das mulheres Este livro foi idealizado para conselheiros profissionais bem como pastores e conselheiros leigos que desejam entender melhor e ajudar mulheres      **The Treasure of Encouragement** Christopher W.
