## *Live A Life That Matters*

Ready or not, some day it will all come to an end,  
There will be no more sunrises, no minutes, hours or days  
All the things you collected, whether treasured or forgotten  
Will pass to someone else

Your wealth, fame and temporal power will shrivel to irrelevance  
It will not matter what you owned or what you were owed  
Your Grudges, resentments, frustrations, and jealousies  
Will finally disappear

So, too, your hopes, ambitions, plans and to-do lists will expire  
The wins and losses that once seemed so important will fade away  
It won't matter where you came from

It won't matter whether you were beautiful or brilliant  
Even your gender and skin color will be irrelevant  
So what will matter?

What will matter is not your success, but your significance

What will matter is not what you learned, but what you taught

What will matter is every act of integrity, compassion, courage  
Or Sacrifice that enriched, empowered or encouraged others  
To emulate your example

What will matter is not your competence, but your character

What will matter is not how many people you knew  
But how many will feel a lasting loss when you're gone

What will matter is not your memories  
But the memories that live on in those who loved you

What will matter is how long you will be remembered and for what

Living a life that matters doesn't happen by accident

It happens by Choice

Live a life that matters .....
