This document provides a summary of the philosophy and main principles for operation of Lifestyle and Wellness Centers. It is not exhaustive, and is an introduction to this important, and often neglected component of Comprehensive Health Ministry. It has been specially prepared for the 2009 General Conference Leadership Colling Journal Division Leaders which is themed "Wholeness in Christ: Mission Vision in Action." We are grateful to the Leadership that compiled this brochure: Wanda Fenners and Zeno Charles Marcel (co-chairs), Fred Harbidge, Chuck Cleveland and Frank Fourman. This team brings a uniquely rich expertise in Lifestyle and Wellness Center work, gained through many years of dedicated and practical experience. They each live the dream life, express gratitude to Elder Ted Wilson for devoting this Leadership Council to you – the leader's – personal health and wellness, as well as for casting the vision for Lifestyle and Wellness Centers to be multiplied and nurtured around the world. Our prayer is that this powerful witness will grow, benefit the health of many, and prepare a rich harvest of those who are led to accept health and wholeness in Christ through this special ministry.

May you be blessed as you experience Jesus' desire for you
