The Christian Life and the History of Israel Paul L. Dunteman, 2009-02 In Israel's history who are the Amorites and the Philistines Do they represent anything for modern Christians In this book we can see spiritual problems they represent in the Christian life In fact in flesh and blood geography Tabernacle artifacts and other things the history of Israel in the Old Testament forms a model of the internal struggles we face as believers in Jesus For those of you who are just starting out with Christ or those who have been on this journey for many decades this book can help you get your bearings As Israel journeyed from Canaan to Egypt to the desert and back to Canaan so the Christian begins as an infant becomes a natural then carnal then possibly a spiritual man respectively The names of places enemies of Israel and other items all have meaning for us as we examine the roots of their names in Hebrew In Semitic understanding the symbols are real people events and places and their names also shed light on our walk here Come take Jesus by the hand Learn the lessons and overcome the problems with His help You may move ahead more surely and quickly with Israel's history as a road map before you Let's begin Dr Paul L Dunteman teaches theology and Bible languages in English and Spanish at the Miami branch of the New Orleans Baptist Theological Seminary as well as representing the organization Life in Messiah Born and raised in the Chicago area he has a B A in Geography from the University of Illinois FBK an M Div from Trinity Evangelical Divinity School and a Th D from Jacksonville Theological Seminary Since 1992 he has taught in Miami Florida where he resides with his wife Carmen Leticia and their 6 children and 6 grandchildren
