Fixing Governance from Below Masooda Bano,Professor of Development Studies Masooda Bano,2025-11-03 In this book Masooda Bano critically examines the repeated failures of decentralizing education systems and promoting community participation as solutions to learning crises Drawing on compelling research from Pakistan India Nigeria and Indonesia the book reveals how international aid programs designed based on what works in Western contexts routinely misjudge local realities At the same time national governments implement costly donor approved reforms to gain international credibility while real on the ground issues remain unaddressed With sharp insights and thought provoking analysis this book calls for a fundamental shift in how we approach educational reform one that respects local contexts prioritizes genuine accountability and moves beyond one size fits all solutions

Handbook of Research on Teacher Practices for Diverse Writing Instruction Hodges, Tracey S.,2022-05-20 The art and practice of writing is

complex and multidimensional students often apply unique writing styles As such educators must apply focused teaching methods to nurture these unique forms of writing Educators must stay up to date with the practices for diverse writing instruction in order to best engage with a diverse classroom However resources related to writing typically do not focus on the depth and breadth of writing and there is a need for a resource that offers a comprehensive look at diverse writing instruction research The Handbook of Research on Teacher Practices for Diverse Writing Instruction provides a rich discussion of the issues perspectives and methods for writing instruction currently in use with an added lens focusing on diversity and equity It provides unique coverage on the topic of writing instruction for practical implementation within the classroom setting Covering topics such as student motivation curriculum development and content area instruction this major reference work is an essential resource for preservice teachers faculty and administration of K 12 and higher education academic libraries government officials school boards researchers and academicians
