

How the Garcia Girls Lost Their Accents

By Elisabeth Desmond, Annie Goldman, Karis Kracke-Bock, Emma Weinstein, and Indy Lyness

Whose Story and Why Is It Important- Karis

This book follows the life of four sisters living in the Dominican Republic and their transition into life in the United States. This story represents the different cultural norms in the 1950's- 1960's between the two countries and the difficulties of immigrating to the United States at this time. Throughout the story the girls talk a lot about the differences between the Dominican Republic and the United States and the difficulty they encountered when first coming to the U.S.

"I saw what a cold, lonely life awaited me in this country. I would never find someone who would understand my peculiar mix of Catholicism and agnosticism, Hispanic and American styles" (Alvarez 99).

"Carla nodded, disappointed. She would never get the hang of this new country" (Alvarez 151).

"There was a sigh of exasperation. A too-patient voice with dividers between each word explained the legal procedures as if repeating a history lesson. Carla's mother should have learned long before she had troubled the police or moved into this neighborhood" (Alvarez 159).

These quotes demonstrate the difficulties the sisters had when immigrating to the United States and trying to fit in.

Setting - Indy

Where the Story Takes Place:

Dominican Republic: The girls are part of a rich family that owns a compound where they all live with numerous other cousins. They need to follow strict rules but live in a beautiful place.
