

Graduation

God holds for thee an unknown
future as His gift today;
Thou canst not see the longed-for
goal, the windings of the way.
But thou canst take the "Yet-to-Be",
and find a blessing there.
And, for his sake, out of the
blessing, make your life more fair.
Then life shall grow more strong
for work, more faithful to the
light. And thou shalt know
God's gift was beautiful-
God's way was right

Curran, 2012 *Coming of Age with the Jesuits* chronicles a young man s formative years from 1959 to 1968 studying on the undergraduate level at Rockhurst College in Kansas City Missouri and for the Ph D at Saint Louis University in St Louis Missouri Between junior and senior year Curran had his first educational experience in Latin America studying at the National University of Mexico and traveling to Guatemala This would lead to an increase in his love of languages and area studies and a future teaching career committed to the same at Arizona State University The book is not an academic treatise on the Jesuits or their method of study the Ratio Studiorum but rather a chronicle of the experiences in their schools by a young man introduced to Jesuit ways and discipline followed by serious study along with college fun and travel Students from the 1960s will surely recall relate to and enjoy similar moments in their own days with the Jesuits The book chronicles as well the on going process of growing up of a small town farm boy experiencing the big city college foreign travel and the next step
